Seniors

Senior Class

Class Officers — DeSimone, Ford, Linscott, Bethel.

As we of the class of 1946 come to the end of our stay at Tabor, we arrive simultaneously at the beginning of a new personal era. It is now that we shoulder the responsibility that is ours and go on to face the problems of life.

Our years at Tabor have been pleasant. We have formed associations now that will be the memories of our later life. As a senior class, we have been well represented on the athletic field and parade ground. Through a year of varied success in sports our spirit has been high.

In the immediate future for most of us lies college with its ever present challenge to our ability. Now, as we venture forth into a world where one of our greatest assets will be the experience we have gained here, we step aside to make room for new seniors. The bright horizons that stand before us will shortly confront them. May they make the most of the opportunity of their last year at Tabor.

Underclasses

Mr. and Mrs. Howard

JUNIOR CLASS

The class of '47, with its many enthusiastic members, has been well represented in all of the activities at Tabor.

The print shop, drum corps, publications, and the library have all been supported by our class. In sports, we have supplied some of the best athletes, and scholastically we have continued to maintain high standards.

To next year's Junior Class we leave the worthy standards which we have attempted to maintain, and we, in our turn, look eagerly toward our last year at Tabor with confidence in our ability to cope with more responsibilities.

Top row: Russell, Ritvo, Stauffer, Seward, Brodie, Forster. Second row: Whitehead, Bobo, Flood, Smith, Donovan, Loney, Simpson, Jackson, Blatchford, Shelton, Markey, Snow, Brown, Downer, Vanderhoop, Schiffenhaus, Parks. Third row: Cameron, Goldsmith, Lipsitt, Alpert, Edlund, Taylor, Bierrie, Ferguson, Greenberger, Tousey, Reese, Johnson, Wood, Conroy, Brunelle, Martinez, Belz, Moore. Bottom row: Shepard, Stewart, Wise, Thompson, Peterson, Boehner, Knight, Carmichael, Tucker, Tuck, MacKenzie, Stuart, Ramsbottom, King, Kimball.

SOPHOMORE CLASS

The Sophomore Class of 1948 has found its place in many of the activities of the school. It is represented in every major sport by the "bigger boys," with five members in the orchestra, dramatics fifteen, "Log" and "Fore 'n' Aft" a goodly number, glee club its portion, and many in sailing. Not to be outdone by our predecessors of last year, we will continue to rattle the brain of the one and only Mr. Gowing who manages, we think, to keep the best corridor in Lillard Hall.

Mr. and Mrs. Gowing

Top row: Van Schaack, Sill, Wight, Clark, Bole. Second row: Noyes, Parks, Collinson, Adams, Braitmayer, Weeks, McClain, Greenlaw, Pierce, Lindstrom, Salazar, Driscoll, Woods, Rockwell, Millar, Small, Vose, Giles. Third row: Tucker, Query, Russell, McCobb, Nicholas, Bishop, Bisbee, Lasbury, Tyler, Collins, Somerby, Weir, Rood, Hillson, Elliott, Chafer, Morse. Bottom row: Harris, Odence, Bumer, Bond, Trerice, Decas, Fried, Kennedy, Cox, Carson, Chace, Ferguson, Duff, Mello, Raymond.

Mr. and Mrs. Stokes

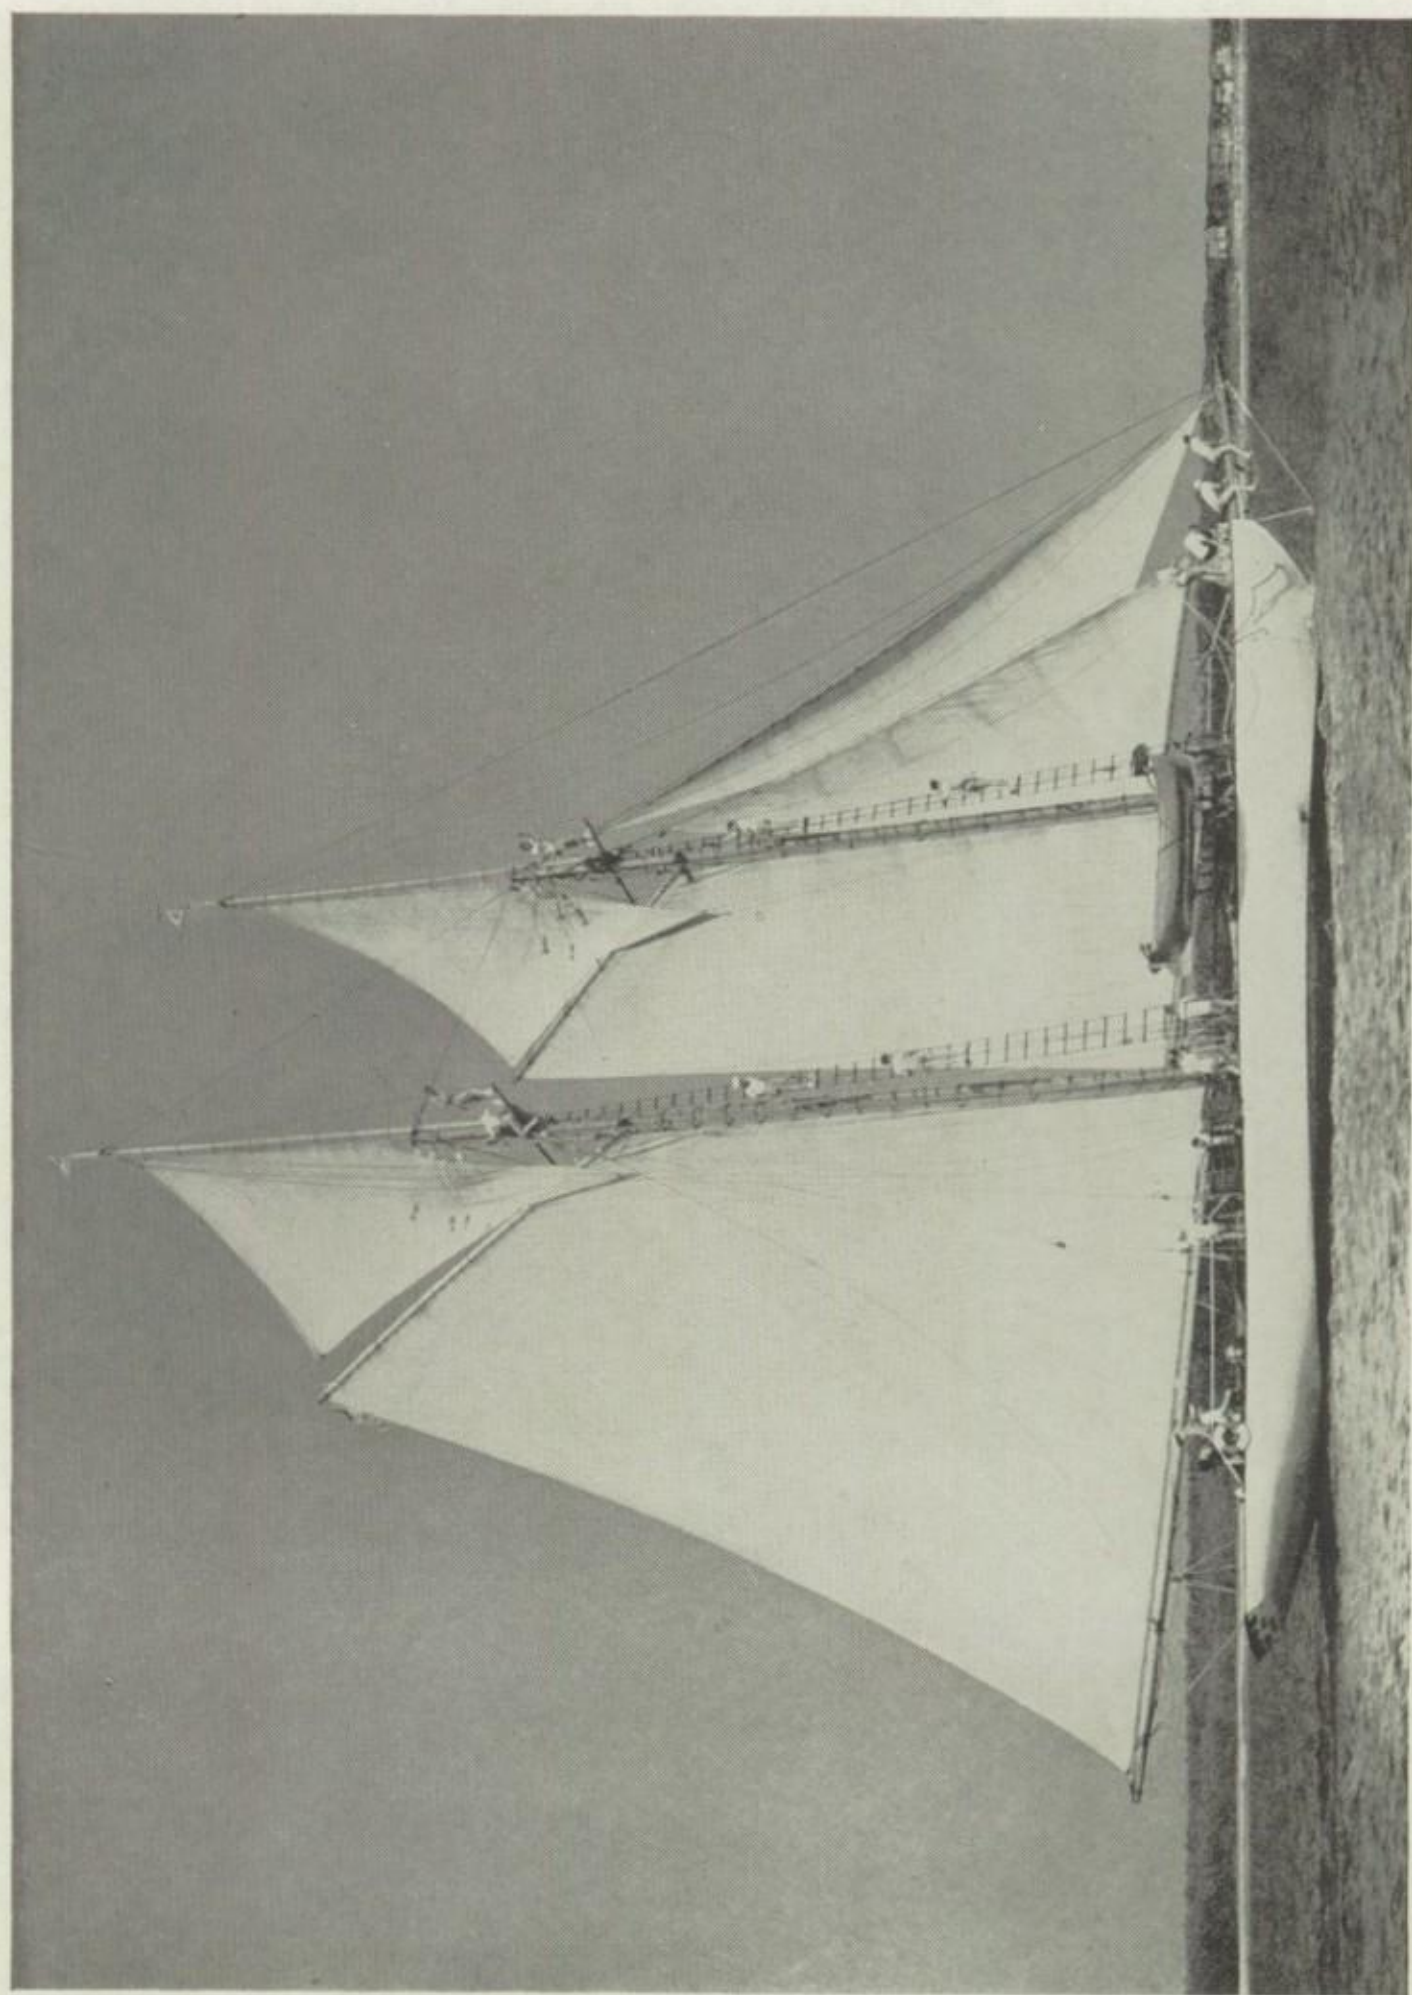

FRESHMAN CLASS

The freshmen of this year have done well in holding up their end of the harmony in Lillard Hall. It is all Mr. Stokes can do to quiet the accordian, when a trumpet begins, and so on, down the corridor. But through the clamor of it all, they squeeze in time for contributions to water-front activities and other major sports, such as midget football, soccer, and league basketball. This year's class is striving more and more to raise the strength of the part they play in school.

Top row: Dunham, Gaines, Simmonds, Sligh, Feeley, Paxton, Battey, Reed, Gregory, Collins. Bottom row: Allen, Mayo, Hiller, Wadsworth, Fish, Hodder, Park, Knauth.

The Tabor Boy

Long the symbol of Tabor's nautical tradition, the schooner has acquainted hundreds of Tabor Boys with the ways of the sea. Representing one of the most important aspects of the academy, she has plied New England waters for nearly twenty years, visiting frequently the island ports of Nantucket and Martha's Vineyard.

Christened "Marjorie" at her launching in New York in 1902, she was built expressly for the New York-Halifax races. A ninety-foot centerboard schooner of 49 tons burden, she showed her mettle in a gale off Cape Hatteras, during which her mainmast was carried away. Due to her stout construction, she sustained no further injury.

In 1925, "Marjorie" became the property of Tabor Academy and, with Captain Weeks in command, ventured into the waters of Maine and Maryland. The centerboard arrangement was soon found to be cumbersome and leaky, and in 1926 it was removed.

As the flagship of the National Sea Scouts under Captain Carlson, she made her epic voyage up the Hudson and through the Erie Canal to the Chicago World's Fair in 1933. The low bridges of the canal made it necessary to unstep her masts, and she arrived at the Great Lakes with her sticks stowed on her deck. Later her mainmast was discovered to be weak, and a new one, her third, was stepped in Gloucester.

Now, a veteran of two hurricanes, numerous gales, and countless storms, the schooner has carried more boys on cruises than any other ship of its type in schoolboy cruising. A great ship, a great history, and a great skipper.

Edlu

A new jewel has been added to the already sparkling Tabor fleet. We are now proud to own the "Edlu II," renowned and much talked about in all yachting circles as being one of the best designed and most skilfully built yachts in existence. We received her after her brief but glorious career in the Coast Guard. They recommended her as one of the best packets impressed into Coast Guard service.

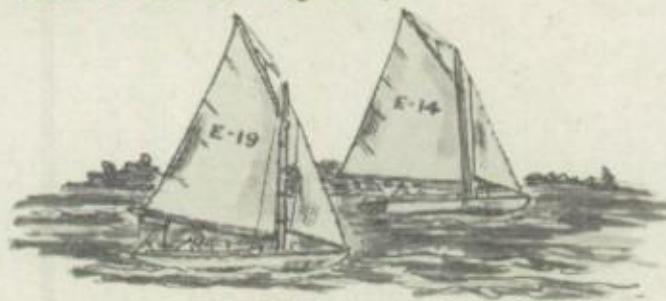

The sturdy construction and seaworthiness of the "Edlu" was well demonstrated in a Nor'easter at the end of November, just before Tabor had taken her over. Winds of seventy miles an hour were reported around City Island, and the beleaguered little craft was forced to lay broadside against the windward side of a pier, open to the fury of the gale. The hawsers, which were worked to keep her away from the wharf, parted and the "Edlu" was forced against the pier, where she lay until the winds abated. Authorities say that had she been less ably built, she would never have been able to withstand the pounding which she took. Only one of the oak frames, making up the members so strongly tying her together, was broken. Below the waterline there was not a leak to be found, probably owing to the combined efforts and skill of Sparkman & Stevens, the designers, Nevins Co., the builders, and the selected mahogany and spruce with which she was planked.

The past history of the "Edlu" was highlighted by colorful events. Although her performance was not too impressive during her trials, when she was outsailed by the "Acetea," another Long Island Sound racing packet, she proved herself in the Bermuda race, early the next season as one of the finest and fastest yawls afloat. Pressed into the service of the Coast Guard in 1942, like so many other yachts of her type, she spent three exciting but grueling years in the service of the government.

The Edlu now comes to Tabor. We need her and we are proud to have her.

Organizations

The Council

The student council consists of eleven boys. Seven of these are seniors; the other four being juniors who form the nucleus of the next year's student council.

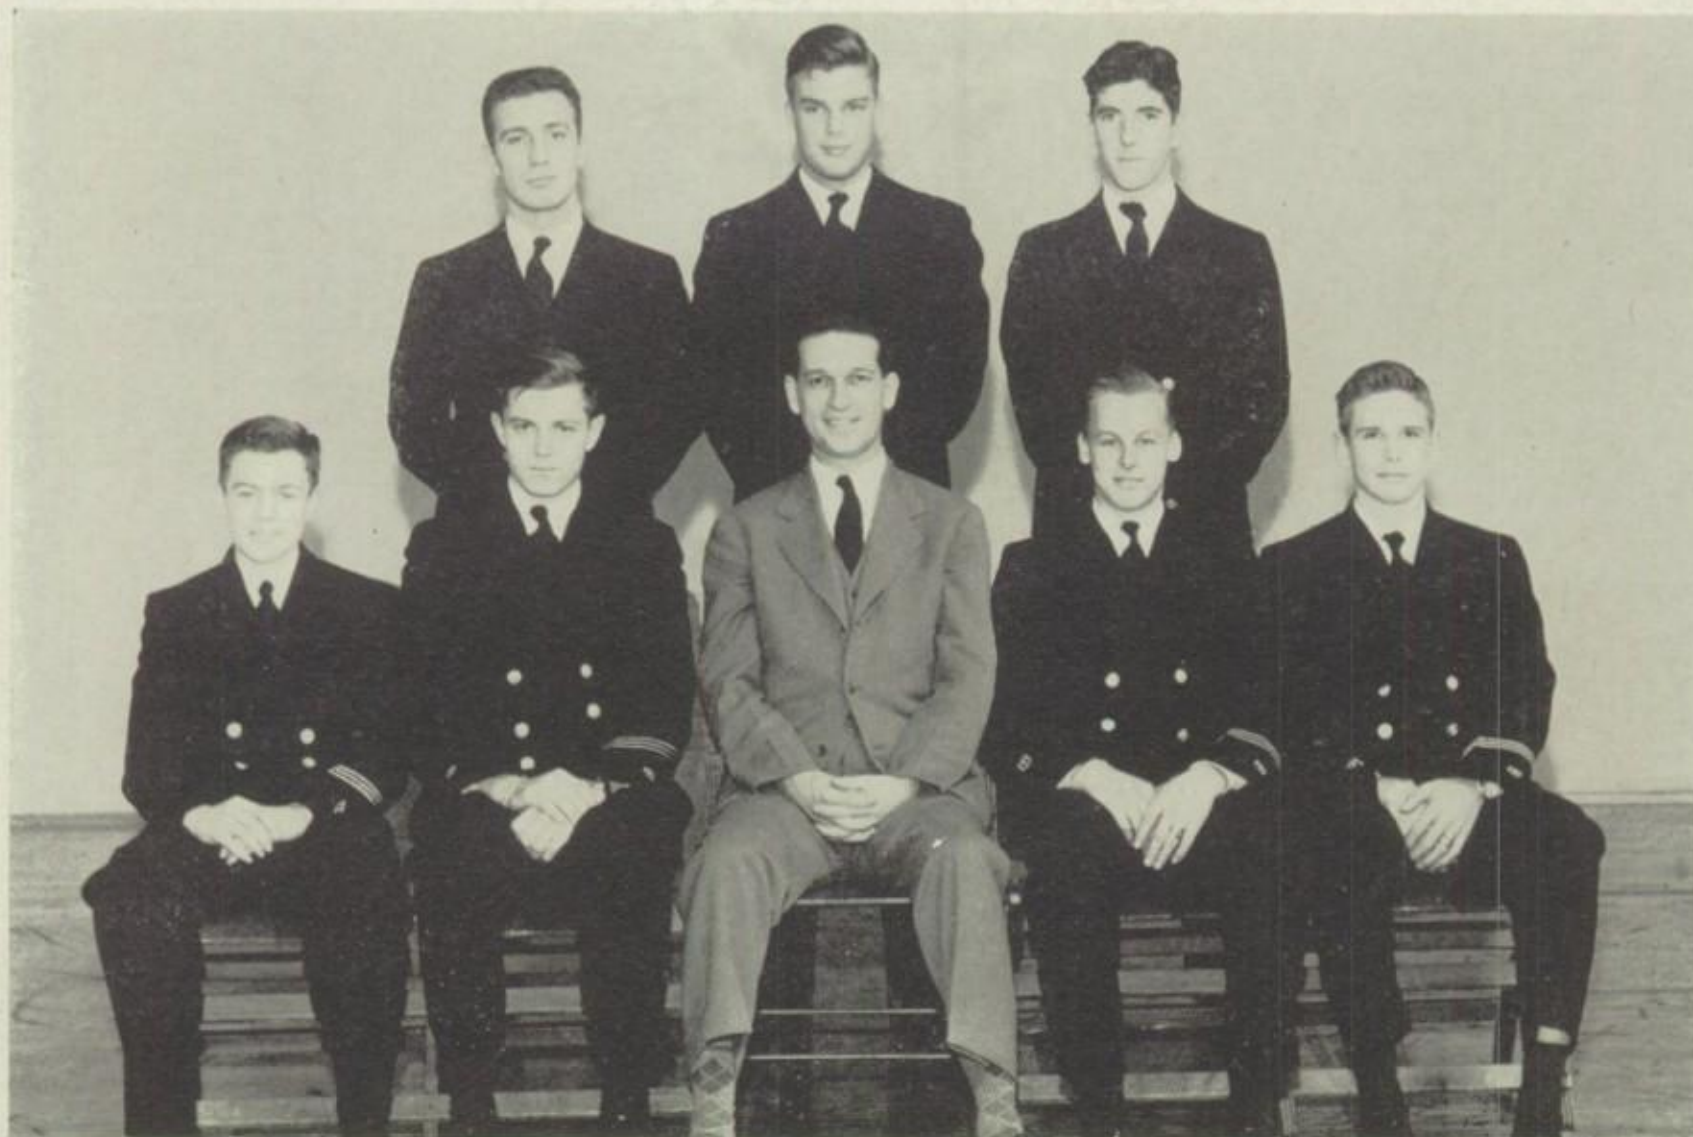

In the fall, the students elect one senior to the council. Later, during the winter term, two more seniors are elected. During the spring term four juniors are elected, thus completing the council for the year.

This group is a vital part of the school and its accomplishments. It serves as a continuation of one of Tabor's finest traditions, being a representative cross section of student thought.

Top row: Linscott, Barker, Ford, Bethel
Bottom row: DeSimone, Beckman, Caffray.

The Robat Club

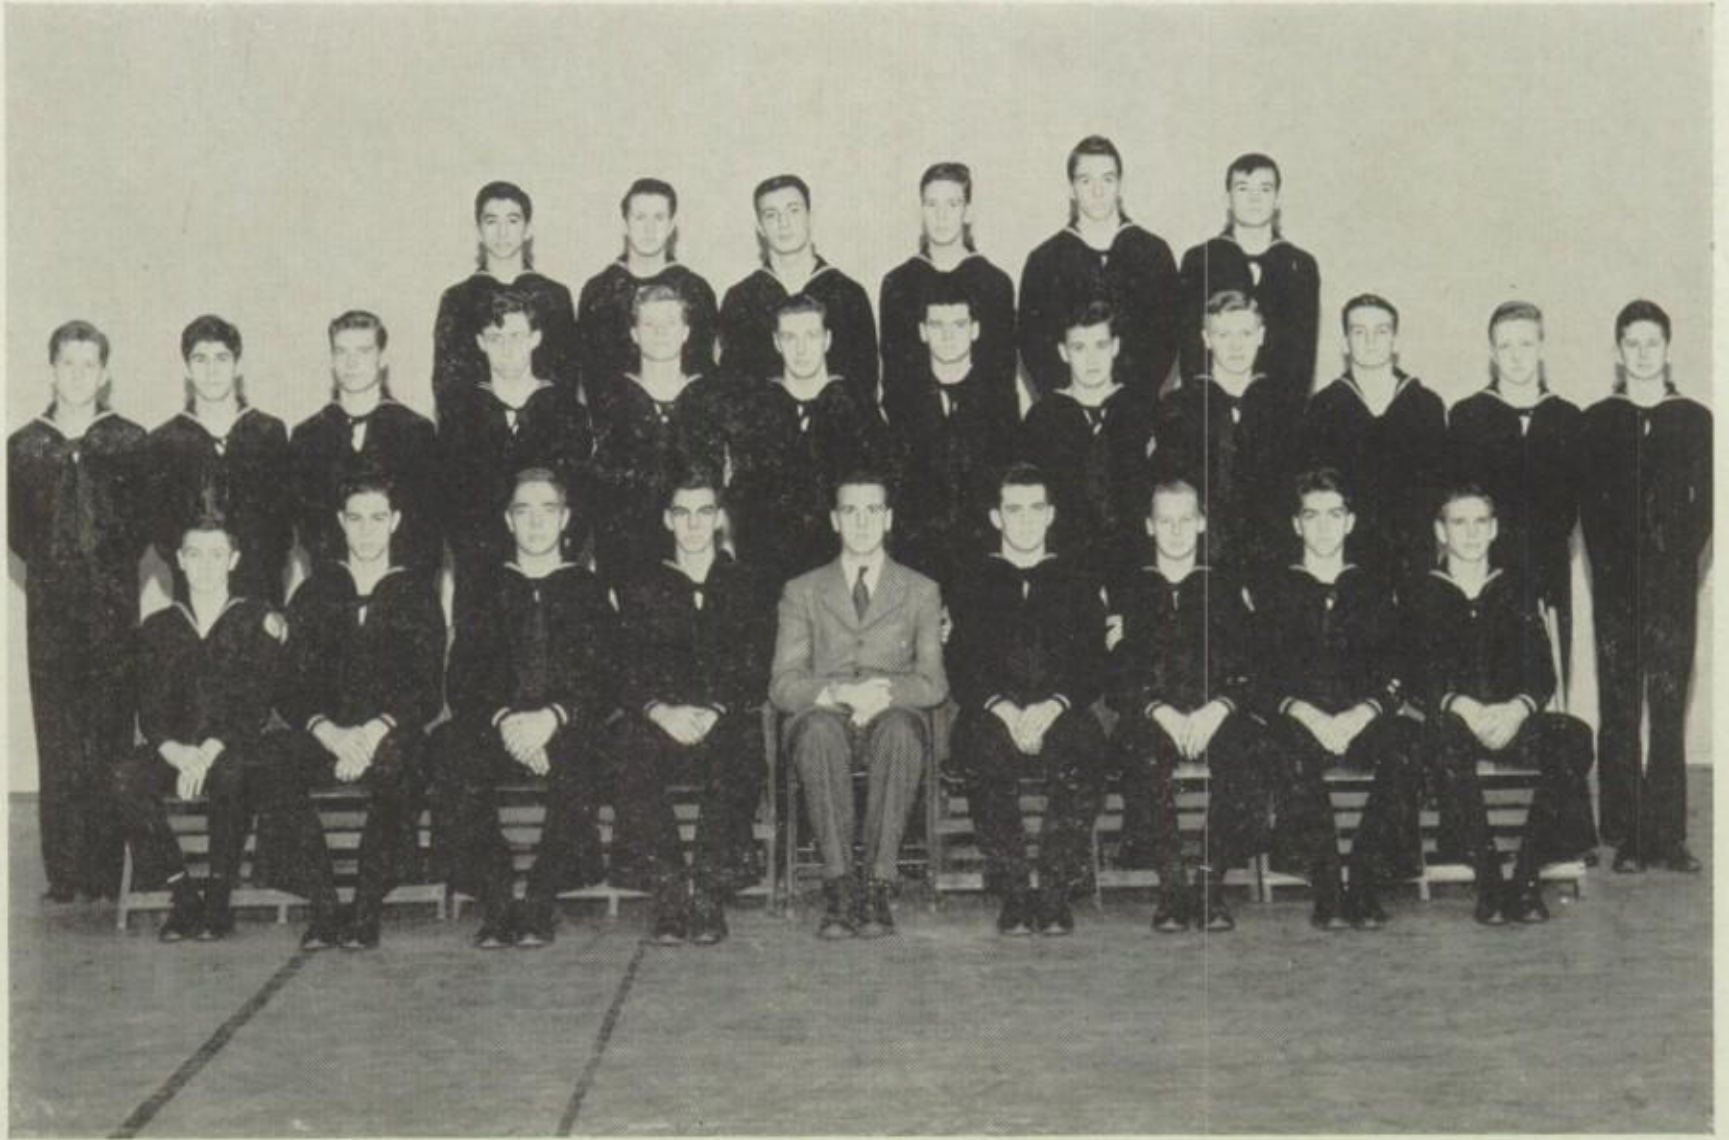

Top row: DeSimone, Ford, Linscott.
Bottom row: Munroe, Barker, Mr. Straetz, Trefrey, Von Schmidt.

Every Saturday evening the Tabor students pause amid studies and sports to gaze at the latest motion picture productions put on by the Robat Club. One of the most distinguished organizations in school, this club assumes the entire responsibility for the entertainment of faculty, students, and townspeople. Following the suggestions of the club members, Mr. Straetz, our able faculty advisor, acquires such well-known productions as: "A Bell for Adano"; and "For Whom the Bell Tolls".

As this organization is under student management, it offers fine training in the keeping of books and running of the show itself. Other activities include the selling of tickets, cleaning and setting up the theater, and ushering. The brunt of these tasks fall upon the newly-elected junior members, the "heelers", who will be called upon in their senior year to assume full responsibility for the management of the club. The club members themselves elect two seniors and five juniors annually.

The 1946 Robat Club has striven to maintain the high standards of proficiency of its predecessors. We are deeply grateful for the understanding leadership of Mr. Straetz, without whose efforts our goal could not have been achieved. We can only trust that future Robat Clubs will continue to serve Tabor with the same high quality of entertainment as has been the custom in years past.

The Log

Top row: Lipsitt, Hoffman, DeSimone, Harris, Brunelle, Loney. Middle row: Edlund, Russell, McCobb, Wood, Bierrie, Bethel, Reese, Stewart, Ramsbottom, Flood, Small, Ferguson. Bottom row: Munroe, McCulloch, Prentiss, Beckman, Mr. Gowing, Benton, Trefrey, Bush, Von Schmidt.

Among the prominent extra-curricular activities is the work annually done for our school newspaper, the Log.

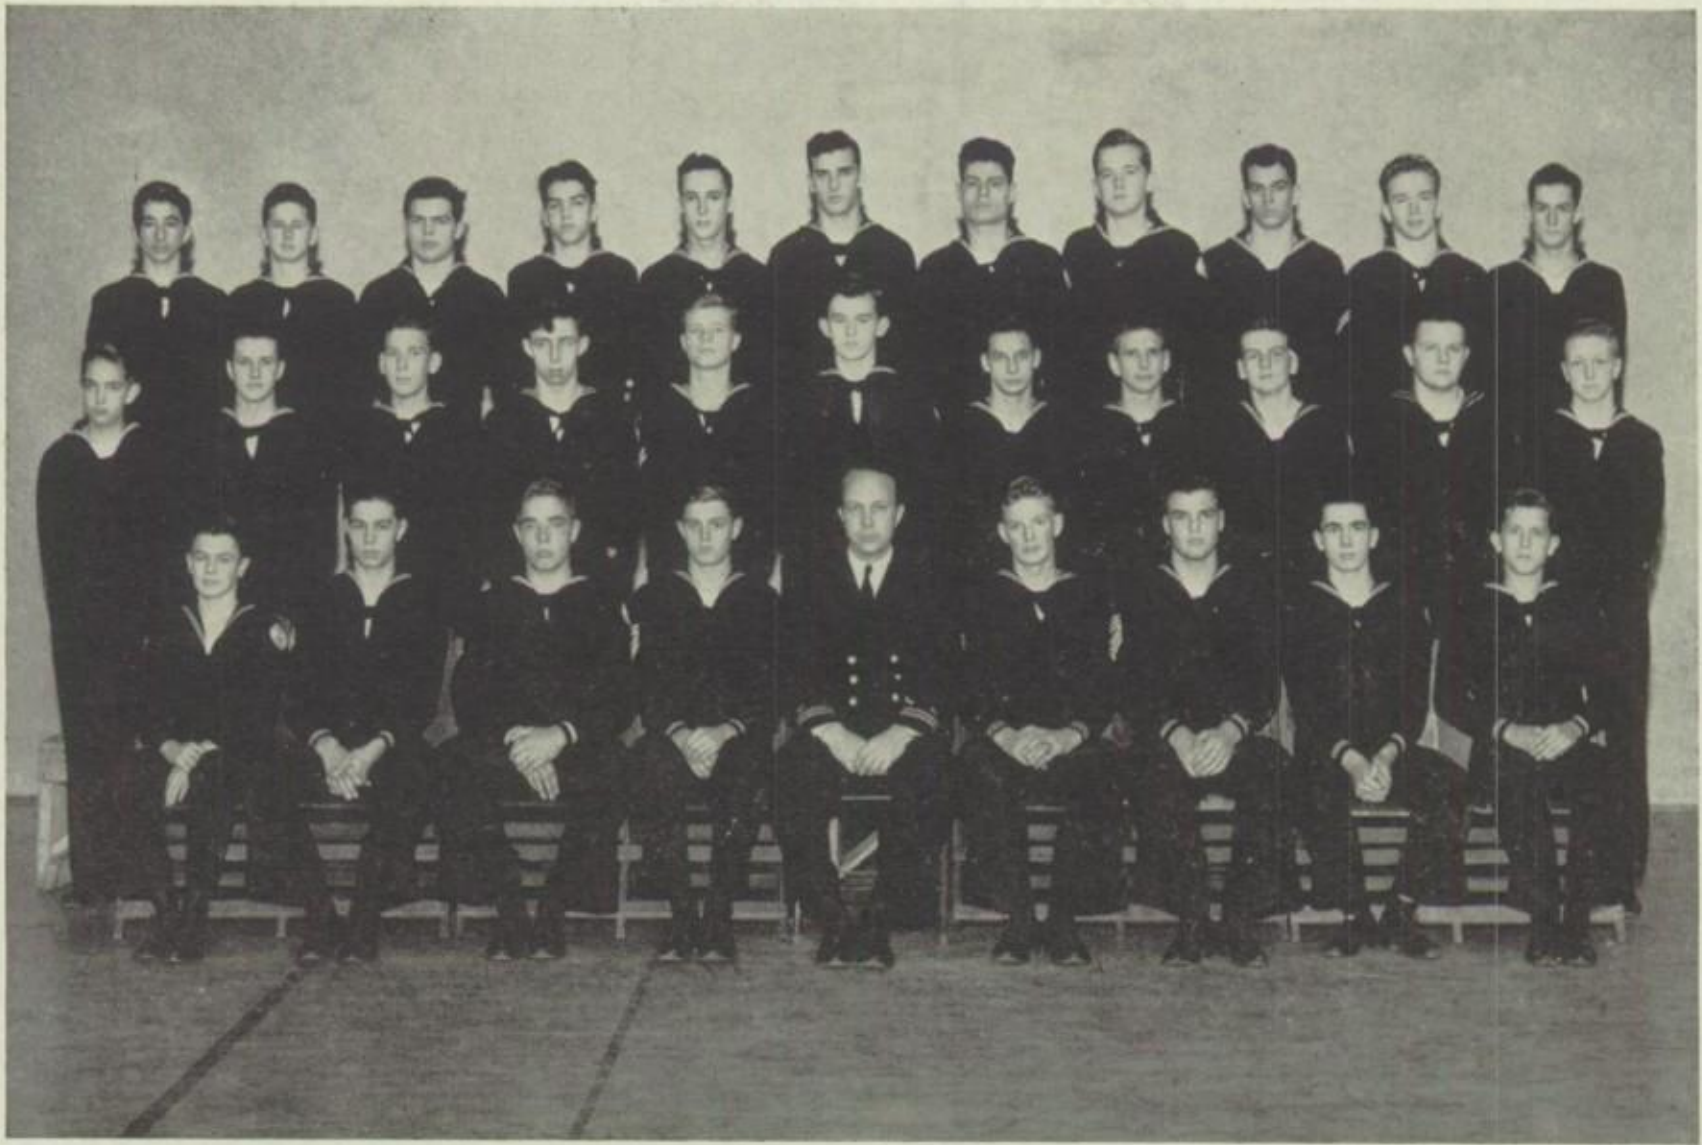

This paper, considered one of the best of its type in New England, serves as the official bi-monthly publication of the school. In its pages are to be found articles pertaining to every phase of student life. Academic and sports achievements are recorded on its pages in a well-developed and mature style. Complete coverage is accorded every outside activity, with regular sections devoted solely to Library and Dramatic Club notes. In addition, the paper serves as an important factor in the steadily growing organization of the alumni of the school, for, in every issue of the Log, there are hundreds of Alumni notes.

Furthermore, a well equipped department completely devoted to newspaper photography furnishes the pictures of campus life and "action shots," in every issue.

Under the direction of Philip Benton and Charles Beckman, the Log has come far this year, establishing several new departments. Also invaluable in the work this year were William Hoffman, David Barker, Sam DeSimone, Bill Munroe and others. The work was carried on under the able supervision of the faculty adviser, Mr. Gowing.

Founded in 1926, and with a present circulation of over two thousand, the Log shows every sign of continuing its important role in the school for many years to come.

Fore 'n' Aft

Top row: Lipsitt, Ferguson, Bobo, Bush, Robinovitz Nettel, Knight, Simpson, Bishop, Cobb, Pierce. Middle row: Mayo, Hoffman, Harris, Wood, Bierrie, Tucker, D., Lindstrom, Von Schmidt, Flood, Chandler, Small. Bottom row: Munroe, McCulloch, Prentiss, Barker, Mr. Howard, Cederberg, Ford, Hart, Edlund.

The publication of this book for the year of '46 has been as difficult and as assiduous a task as ever before. Of particular difficulty was the work carried by the editor-in-chief, a few of whose duties are to see that the written material is obtained, pictures taken, backing by advertisers secured, and that all is fitted in a certain order, in a certain way, and within a certain length of time, between the covers of the Fore 'n' Aft.

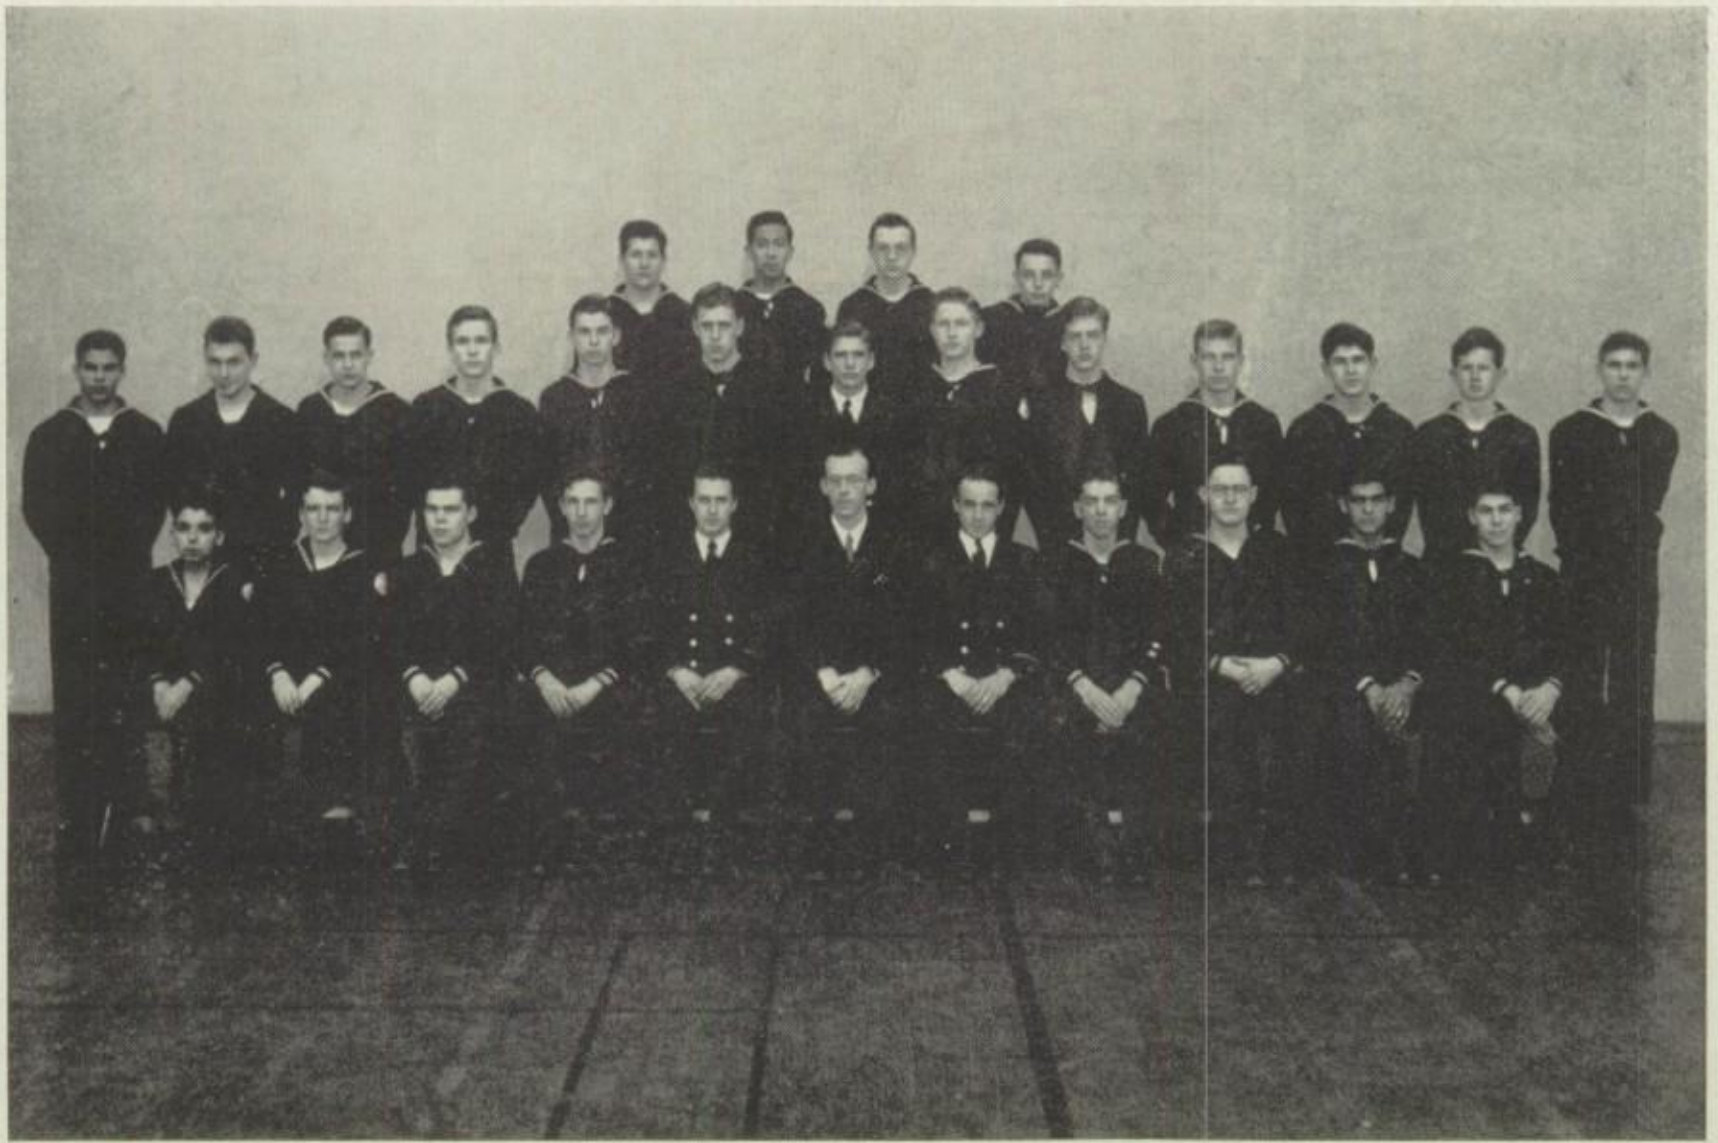

Each assignment has been received and efficiently accomplished by a group of determined and enthusiastic members of the yearbook's staff.

The photographers have had great enjoyment in their role of reporters, and have taken pride in the results of their efforts. They have given you their best efforts in this book, and have taken the pictures they think you will enjoy seeing in the years after graduation.

The various and many organizations have been written about by a body of equally capable reporters who also take pride in their individual work, and the combination of their efforts in the finished product.

Every member of the Fore 'n' Aft staff gives his sincere thanks to Mr. Howard in gratitude for the help he has given each one of us in the tasks put before us. Also, we express our deep appreciation for the time he has spent toward the publication and improvement of Tabor's yearbook.

Dramatics

Top row: Adams, Van der Hoop, Parks, J., Duff. Middle row: Whitehead, Rockwell, Lindstrom, Nicholas, Rood, Weir, vonSchmidt, Somerby, Bisbee, McCobb, Russell, Ferguson, Fried. Bottom row: Decas, Flood, Bobo, Brodie, Hoffman, Mr. Hunt, Norton, Bush, Pitman, Baker, Odence.

There is no other organization at Tabor that requires so much work for only one night's performance. The actors, and stage crew, are devoted to their work, and do the best that is expected of them.

This year, for the first time in Tabor's history, the freshman and sophomores produced two one-act plays. The plays were *Henry*, by Ronald Gow, and *A Night At An Inn*, by Ford Dunsany. This was done to give the lower classmen a chance to show their talents and to discover new material for the major plays of the winter and spring terms. *Breezy Money*, a three-act play, by Eugene Todd, was presented by the club in the middle of May.

The actual presenting of the play is impossible without the invaluable work of the stage crew, consisting of electricians, carpenters, painters, property men, and make-men. These boys work in the afternoons preparing the stage for the production of the play.

The Dramatics Club elected officers last year for the first time. They are: President, William Hoffman, Vice-president Warren Norton, and Secretary-treasurer, Peter von Schmidt. These boys help Mr. Norman Hunt, the faculty supervisor, in the minor things to be done in order to produce a play.

The Dramatics club is one of Tabor's important extra-curricular activities as it lends color and training to the life at Tabor.

Orchestra

Top row: Pierce, Chandler, Rood, McCobb, Leach. Bottom row: Lipsitt, Somerby, Bethel, Hanington, Carson.

The Tabor orchestra is undoubtedly one of the outstanding and oldest organizations in the school. Composed of amateur musicians drawn from the student body, the ensemble performs for the enjoyment of the Tabor boys and faculty, in addition to providing entertainment during sports banquets and preceding plays presented by the Dramatic Club. This year's repertoire consisted mostly of classical pieces, and included such ambitious works as the "Hungarian Comedy", by Keler Bela, "The Young Prince and The Young Princess," by Rimsky Korsakoff, Johann Strauss' "Emperor Waltz," "Piano Concerto No. 1," by Tschaikowsky, and several marches. Currently popular swing numbers add variety, and give the swingsters of the group a chance to shine in the modern musical sphere.

Mr. C. Thomas Jones, a professional Cellist and orchestra leader, has rehearsed the talented group weekly, and has done remarkably well in blending the musically-minded boys of Tabor into a well-balanced ensemble.

Photography Club

Top row: Giles, Small, Weir, Odence, Fried. Bottom row: Gaines, Bole, Braitmayer, Cox, Ferguson, Mr. Stokes Tucker, Wood, Trerice, Baker, Decas.

A new organization at Tabor this year is the enthusiastic Photography Club which, under the supervision of Mr. Stokes, has made a firm introduction into the regular activities of school life.

Our work so far has proven exceedingly successful, with a popular production of Christmas cards, each made by the members, a series of post cards reproduced from selected prints of the school, a contest for the best enlargements, and a final exhibition of our year's work in the spring. All our output has been done in the indispensable darkroom laid out in the Headmaster's cellar, which was equipped with the generous gifts of an interested alumnus. This workshop, although small, has been good enough, but an increasing enrollment has given us hopes of a larger and more efficient darkroom in the new academic building.

A staff of four officers was elected by the members to maintain the leadership of the club. Dave Tucker is the president, with Art Ferguson holding vice presidency. Dick Wood controls the finances, and Arnold Cox keeps the records. With such a fine start and excellent cooperation the club will develop into one of the popular school activities.

Library

Top row: Bacon, Stauffer, Knight, Ritvo, Driscoll. Bottom row: Kennedy, Cox, Braitmayer, Mr. Selle, Boho, Bisbee, Somerby.

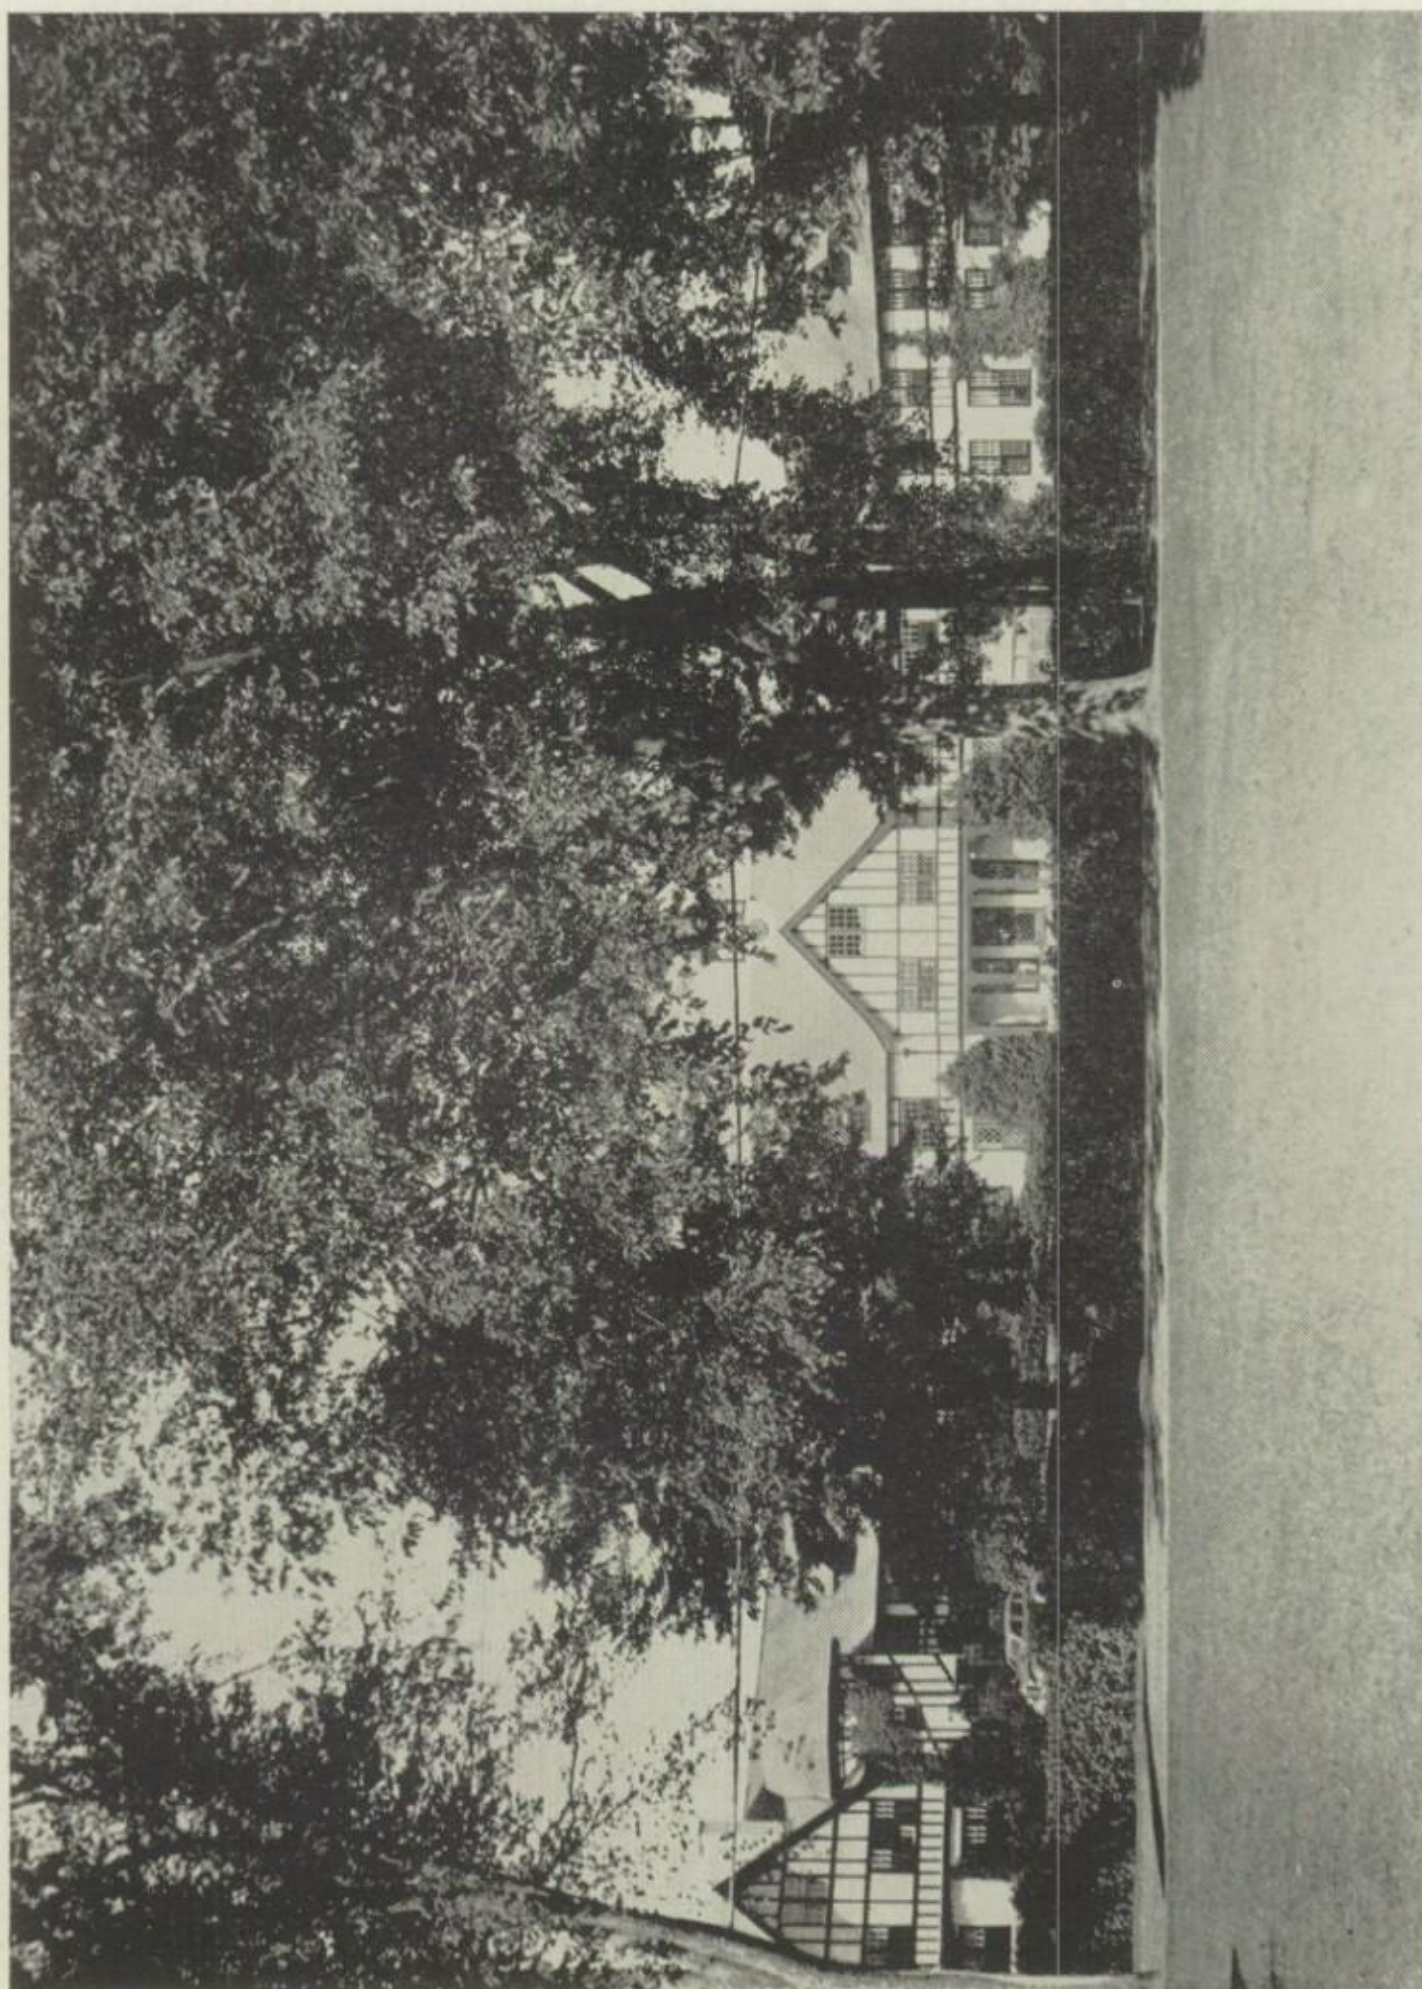

The newest of extra-curricular activities is the Tabor library, started three years ago under the supervision of Mr. Selle.

The library, numbering over 2,000 volumes, has been enthusiastically supported in both gifts and attendance. This activity depends mainly on the efforts of the library officers, all of whom are drawn from the student body.

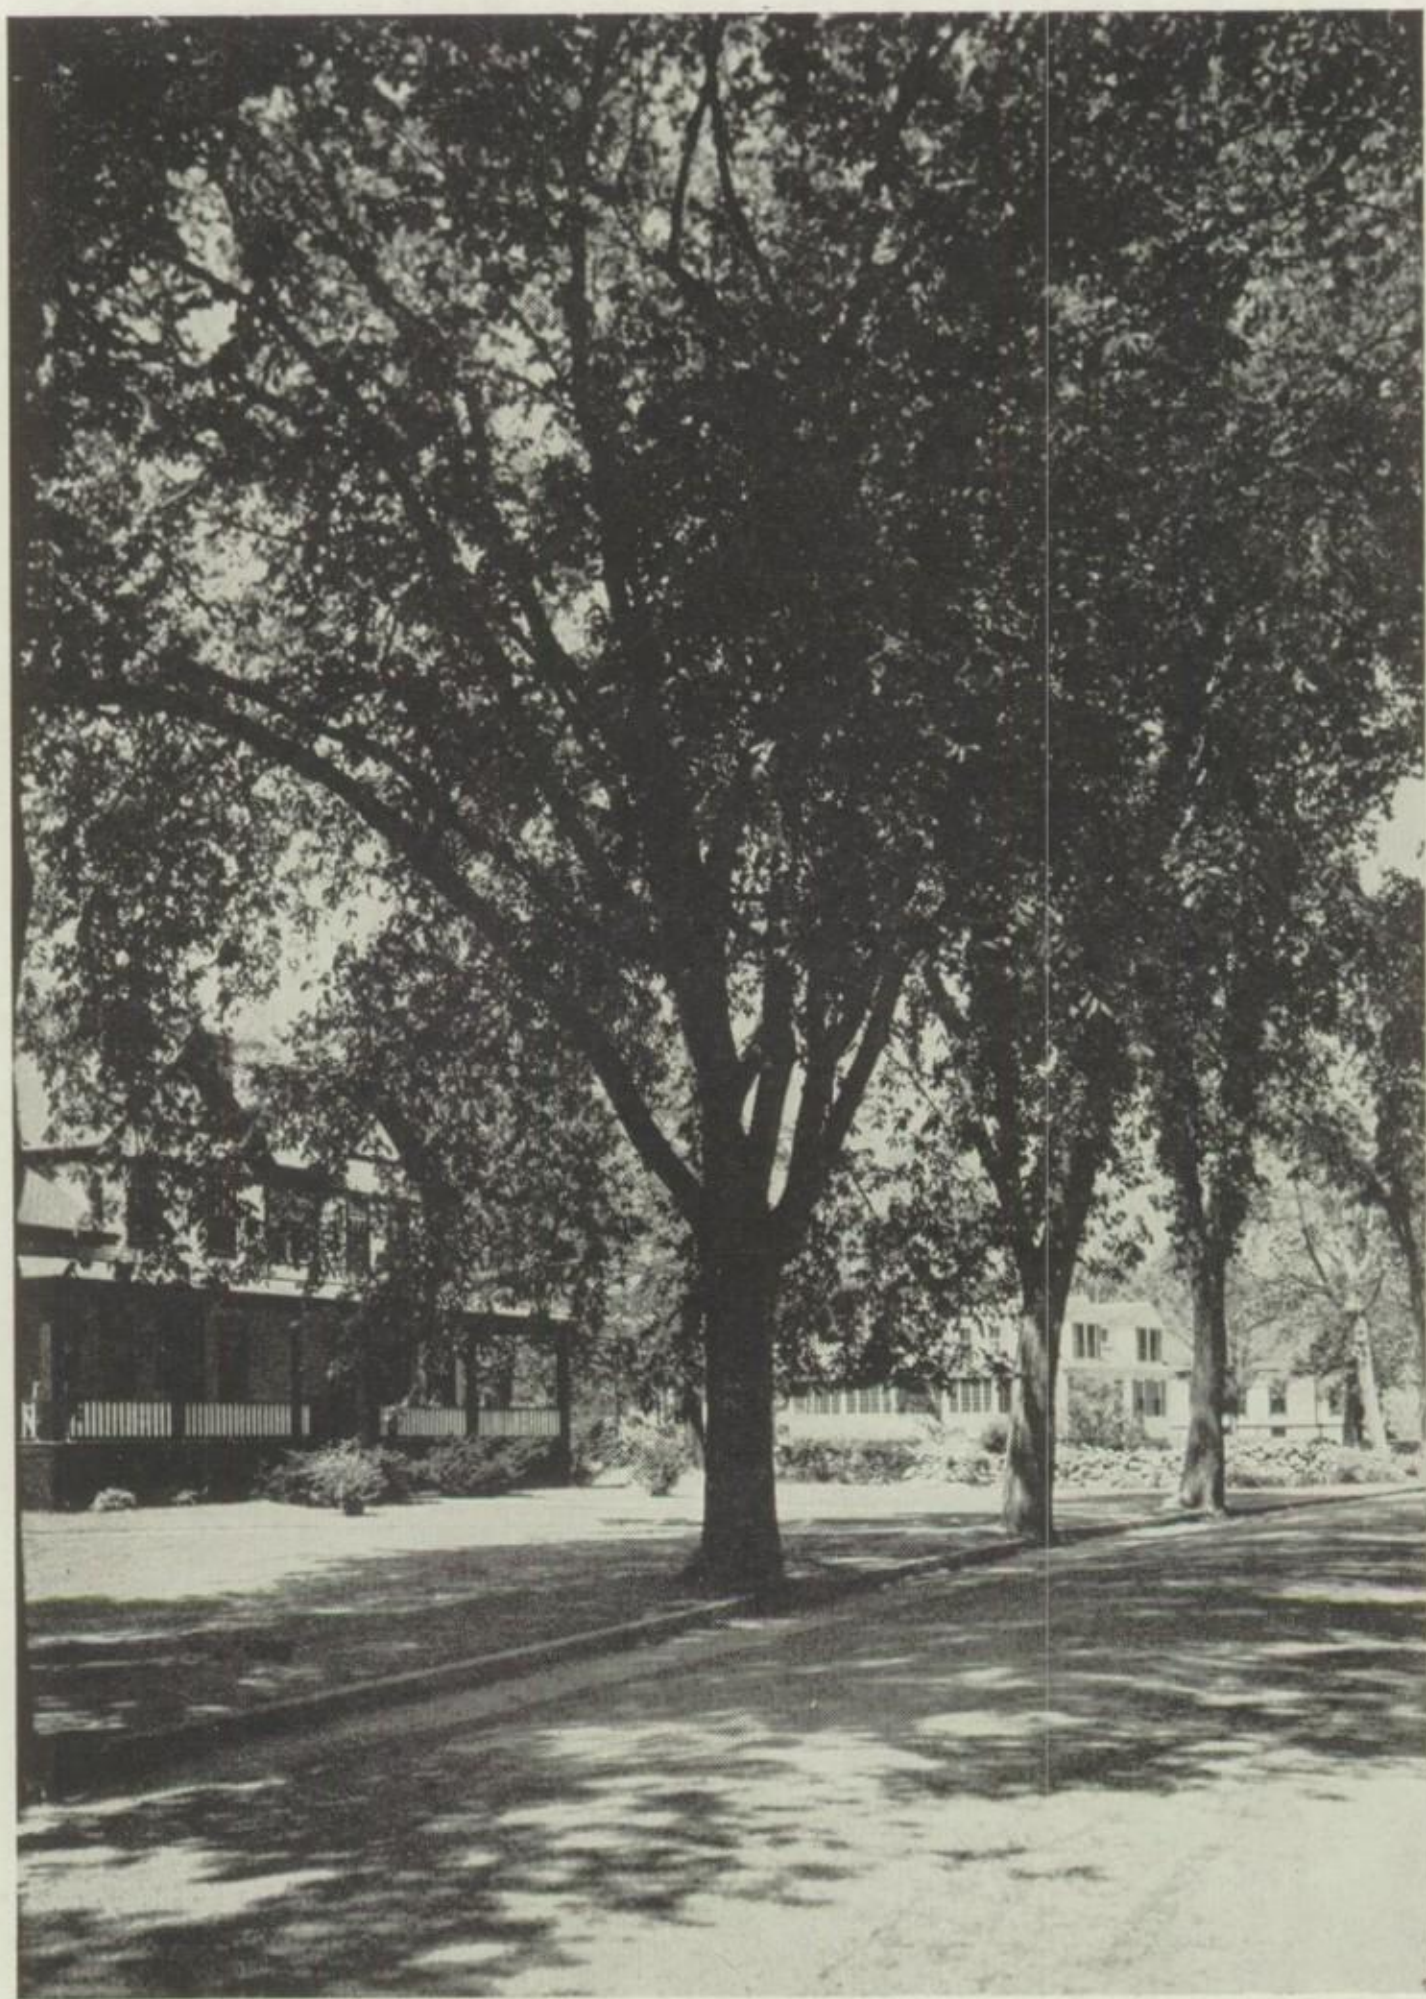

These boys give much of their time to the running of the library in a system in which one or two boys are in charge of the library, and the responsibility which results from this duty is very well met by these officers.

This system, unique among school libraries, has developed a capable and efficient staff under which the library is kept constantly in excellent working condition. The school library, growing rapidly in the past three years, now has a very wide and interesting selection of volumes, all of which are constantly kept in use by the students.

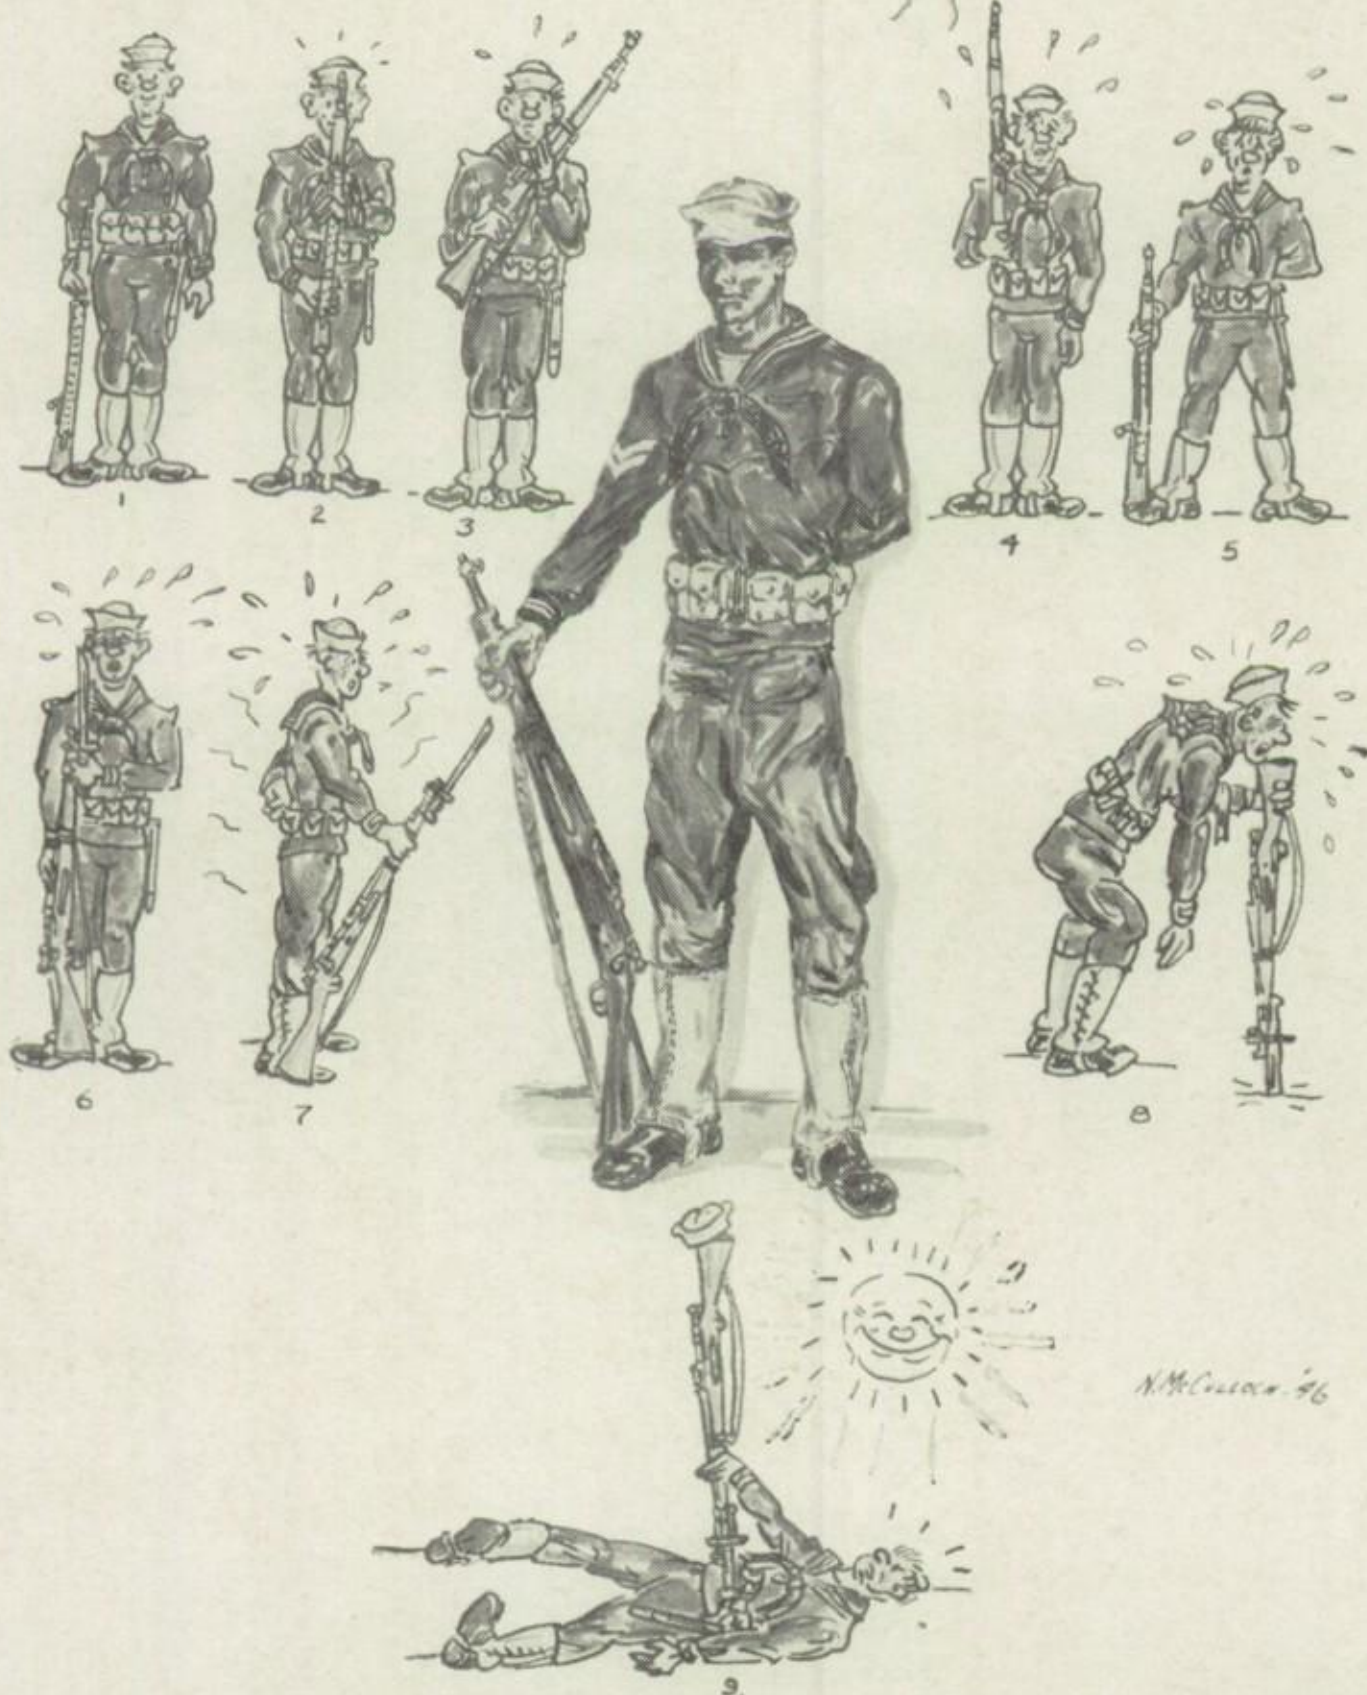

The eleven officers, four of whom have the distinction, privileges, and responsibilities of being senior officers, have shown an interest and devotion to their work unsurpassed by any of the older and larger organizations of the school. Under the guidance of Mr. Selle the library, now a fast growing organization, should prove to be among the largest and most noteworthy projects ever successfully completed at Tabor.

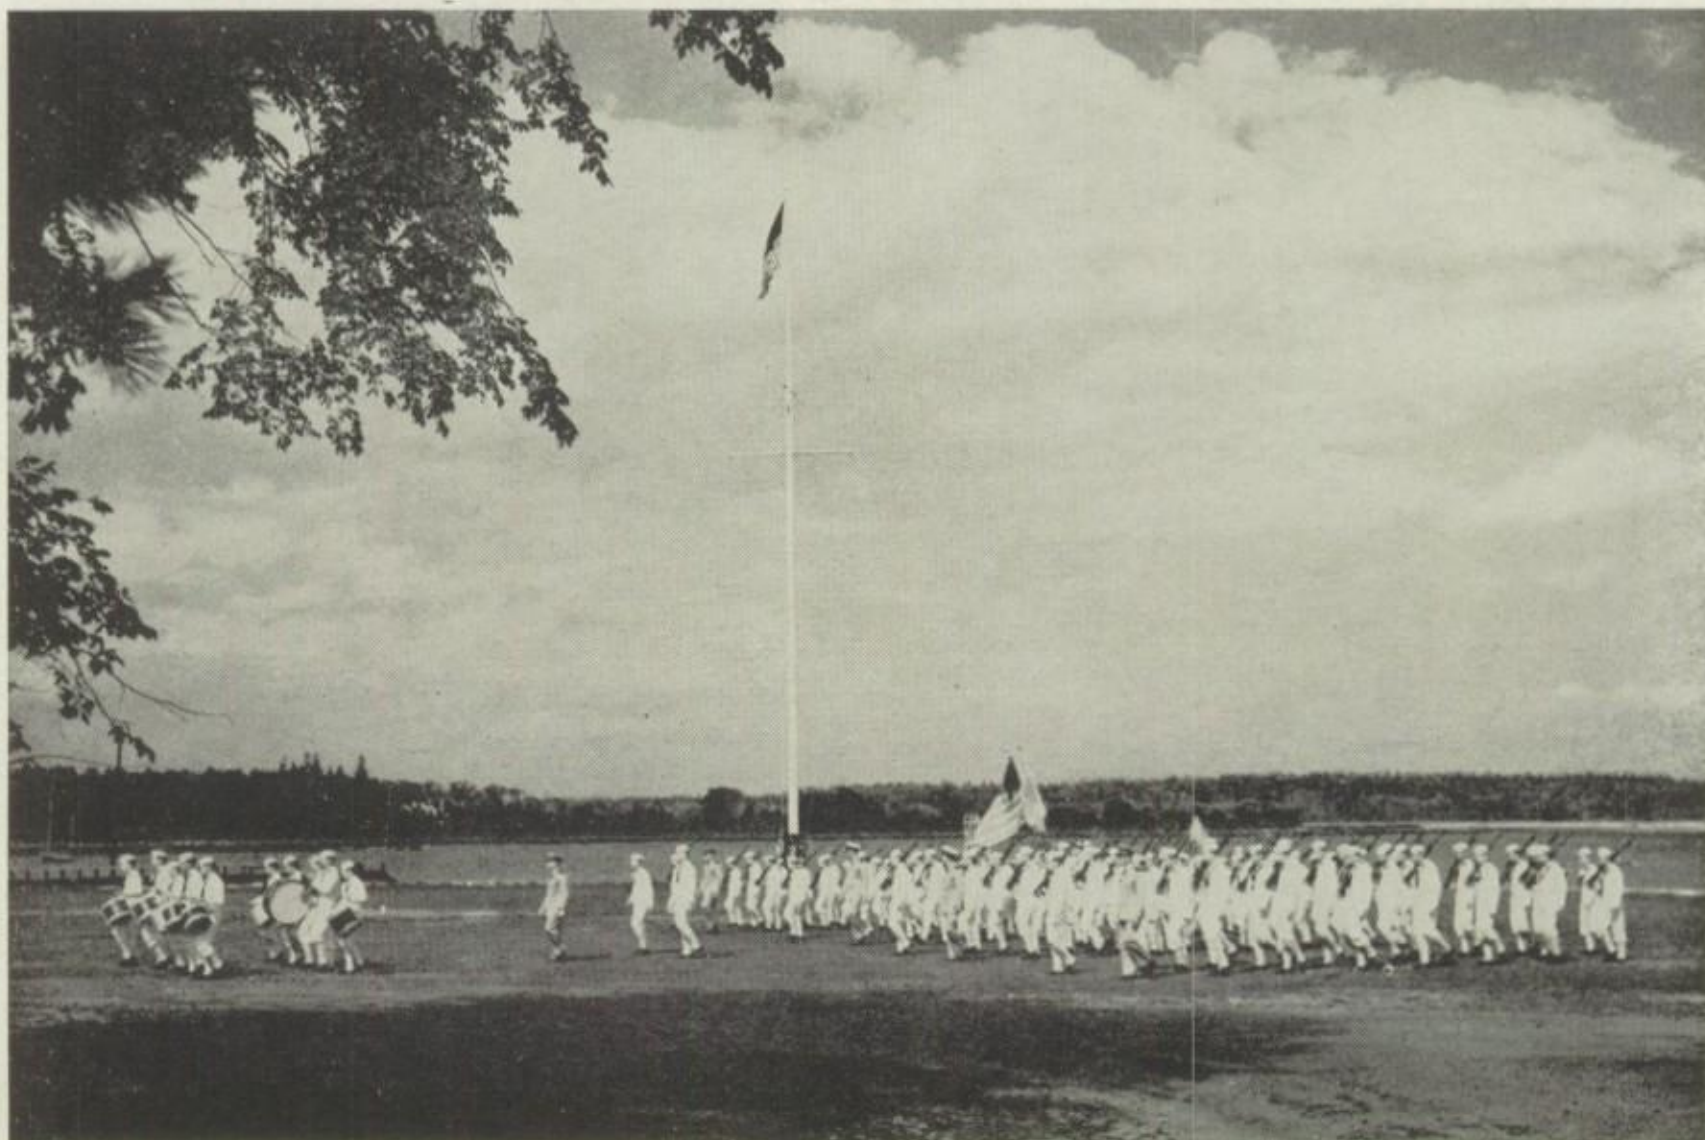

Drill

Drill

In conjunction with its honor naval academy rating, Tabor has once again developed a worthwhile drill battalion.

The first of the year was spent in the instruction of the new boys, with occasional marches to the football games. The usual winter term marches and drills were not experienced by the boys this year. The battalion is made up of three companies of two platoons each, with a color guard and a enlarged drum corps.

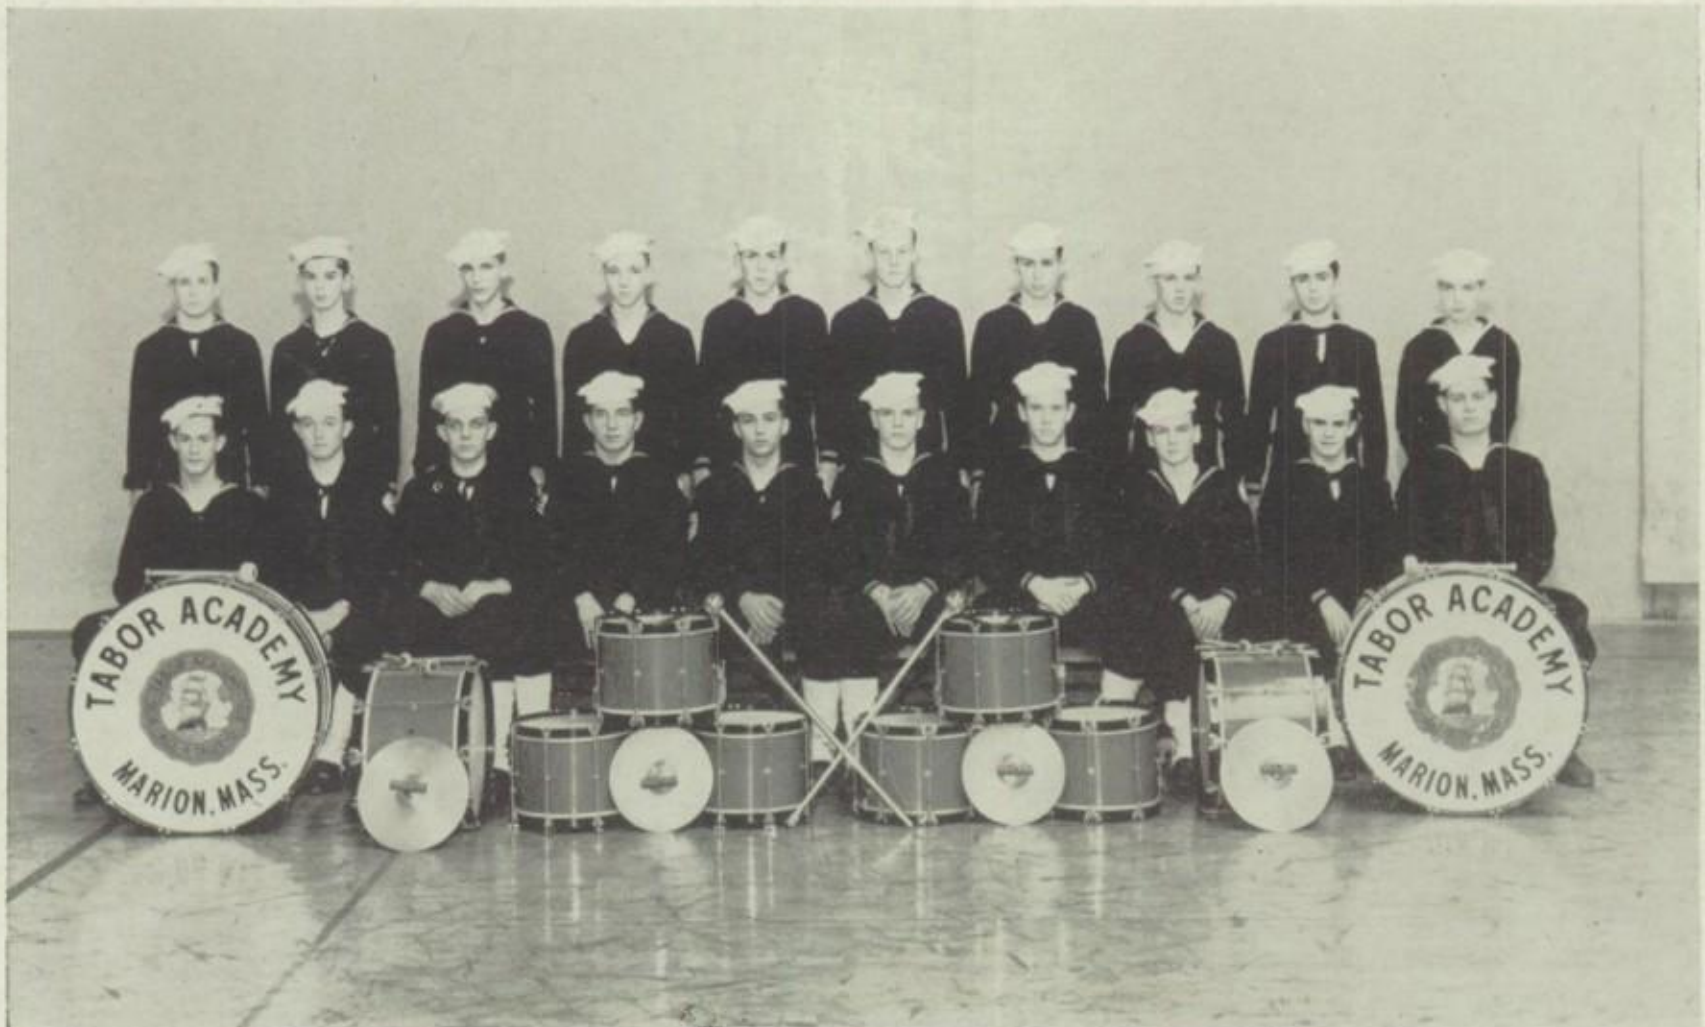

During the spring term the drill was intensified in preparation for Spring Day and Commencement, and by this time the school had a proficient and well-drilled battalion.

Commissioned Officers

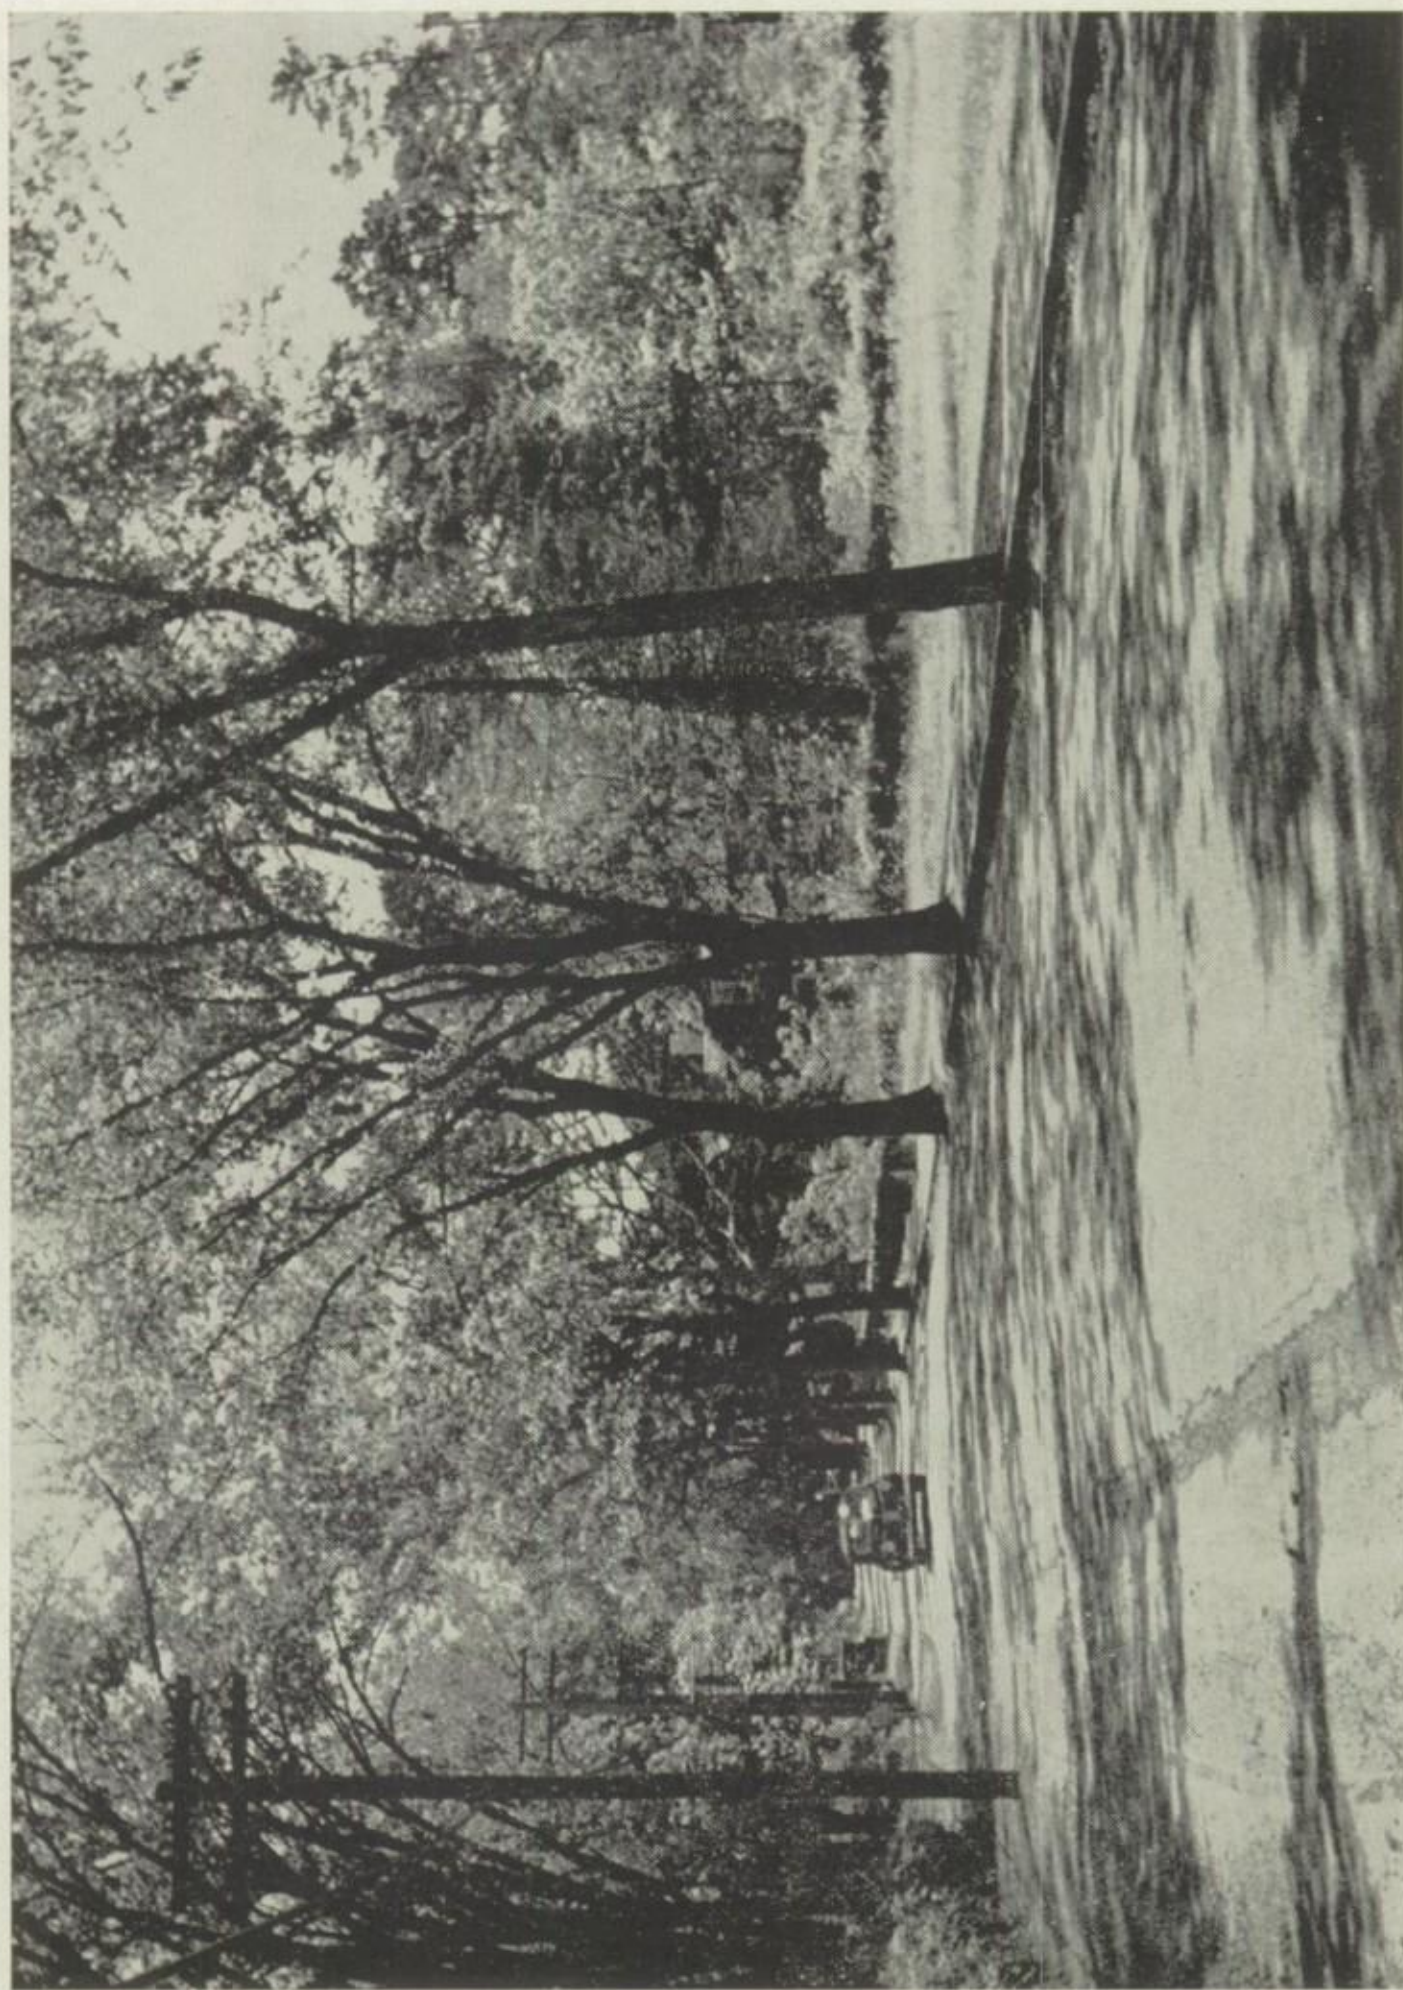

Top row: Lowell, Norton, Cederberg, McCulloch, Linscott, DeSimone, MacKenzie. Bottom row: Prentiss, Barker, Bethel, Mr. Howard, Mr. Hagerman, Ford, Benton, Trefrey.

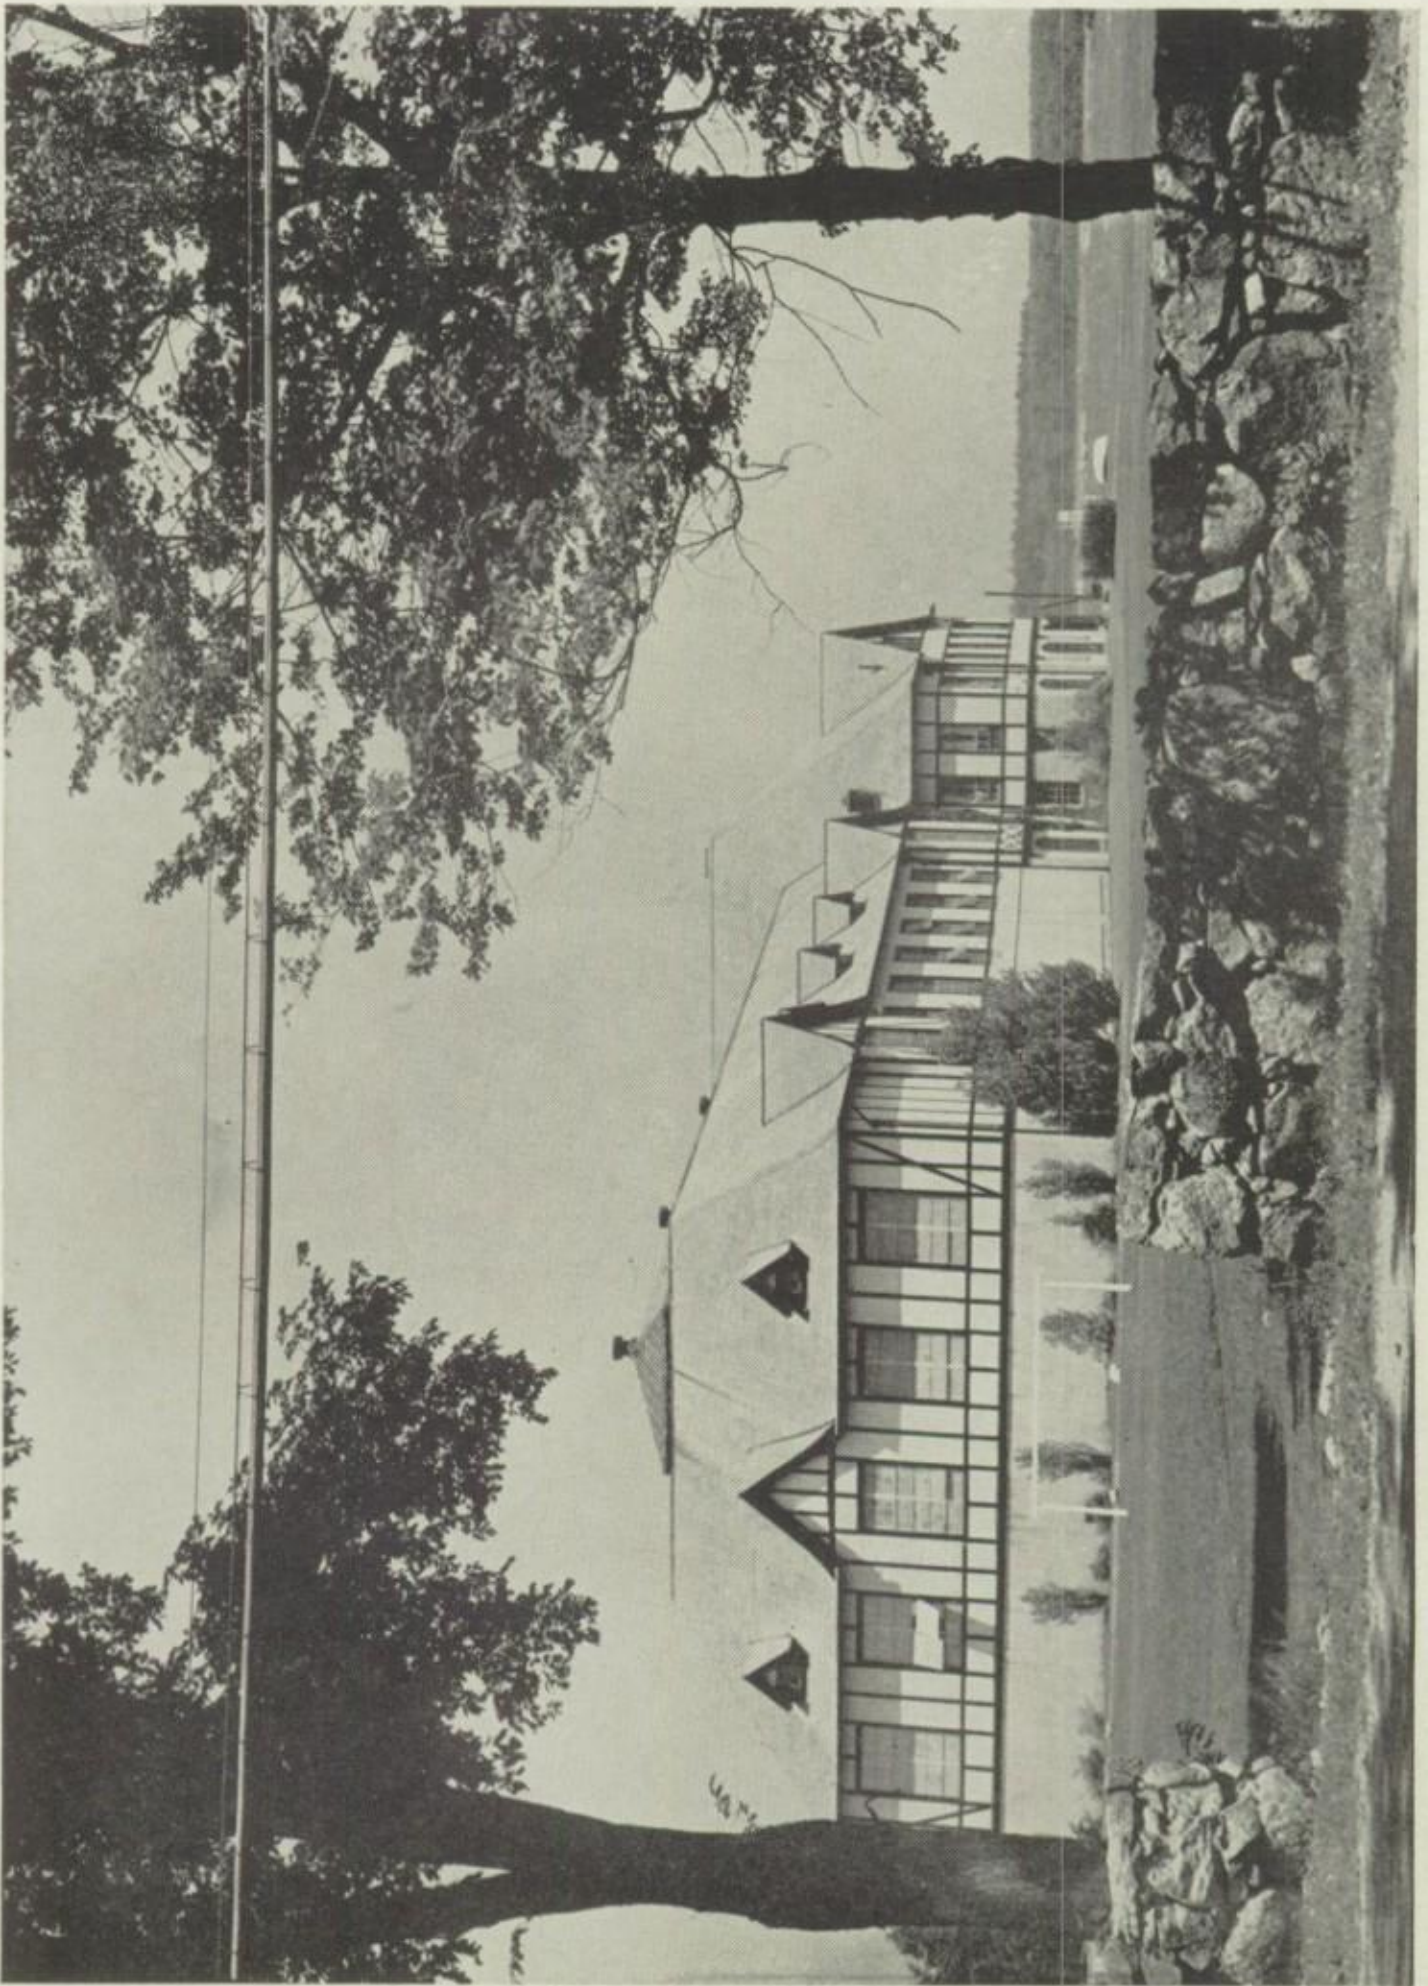

Drum Corps

Top row: Elliott, Feeley, Harris, Caffray, Taylor, Prest, Bond, Murphy, Russell, Mayo. Bottom row: Pierce, Hayden, Goddard, Perry, Lowell, MacKenzie, Wight, Flood, Giles, Knight.

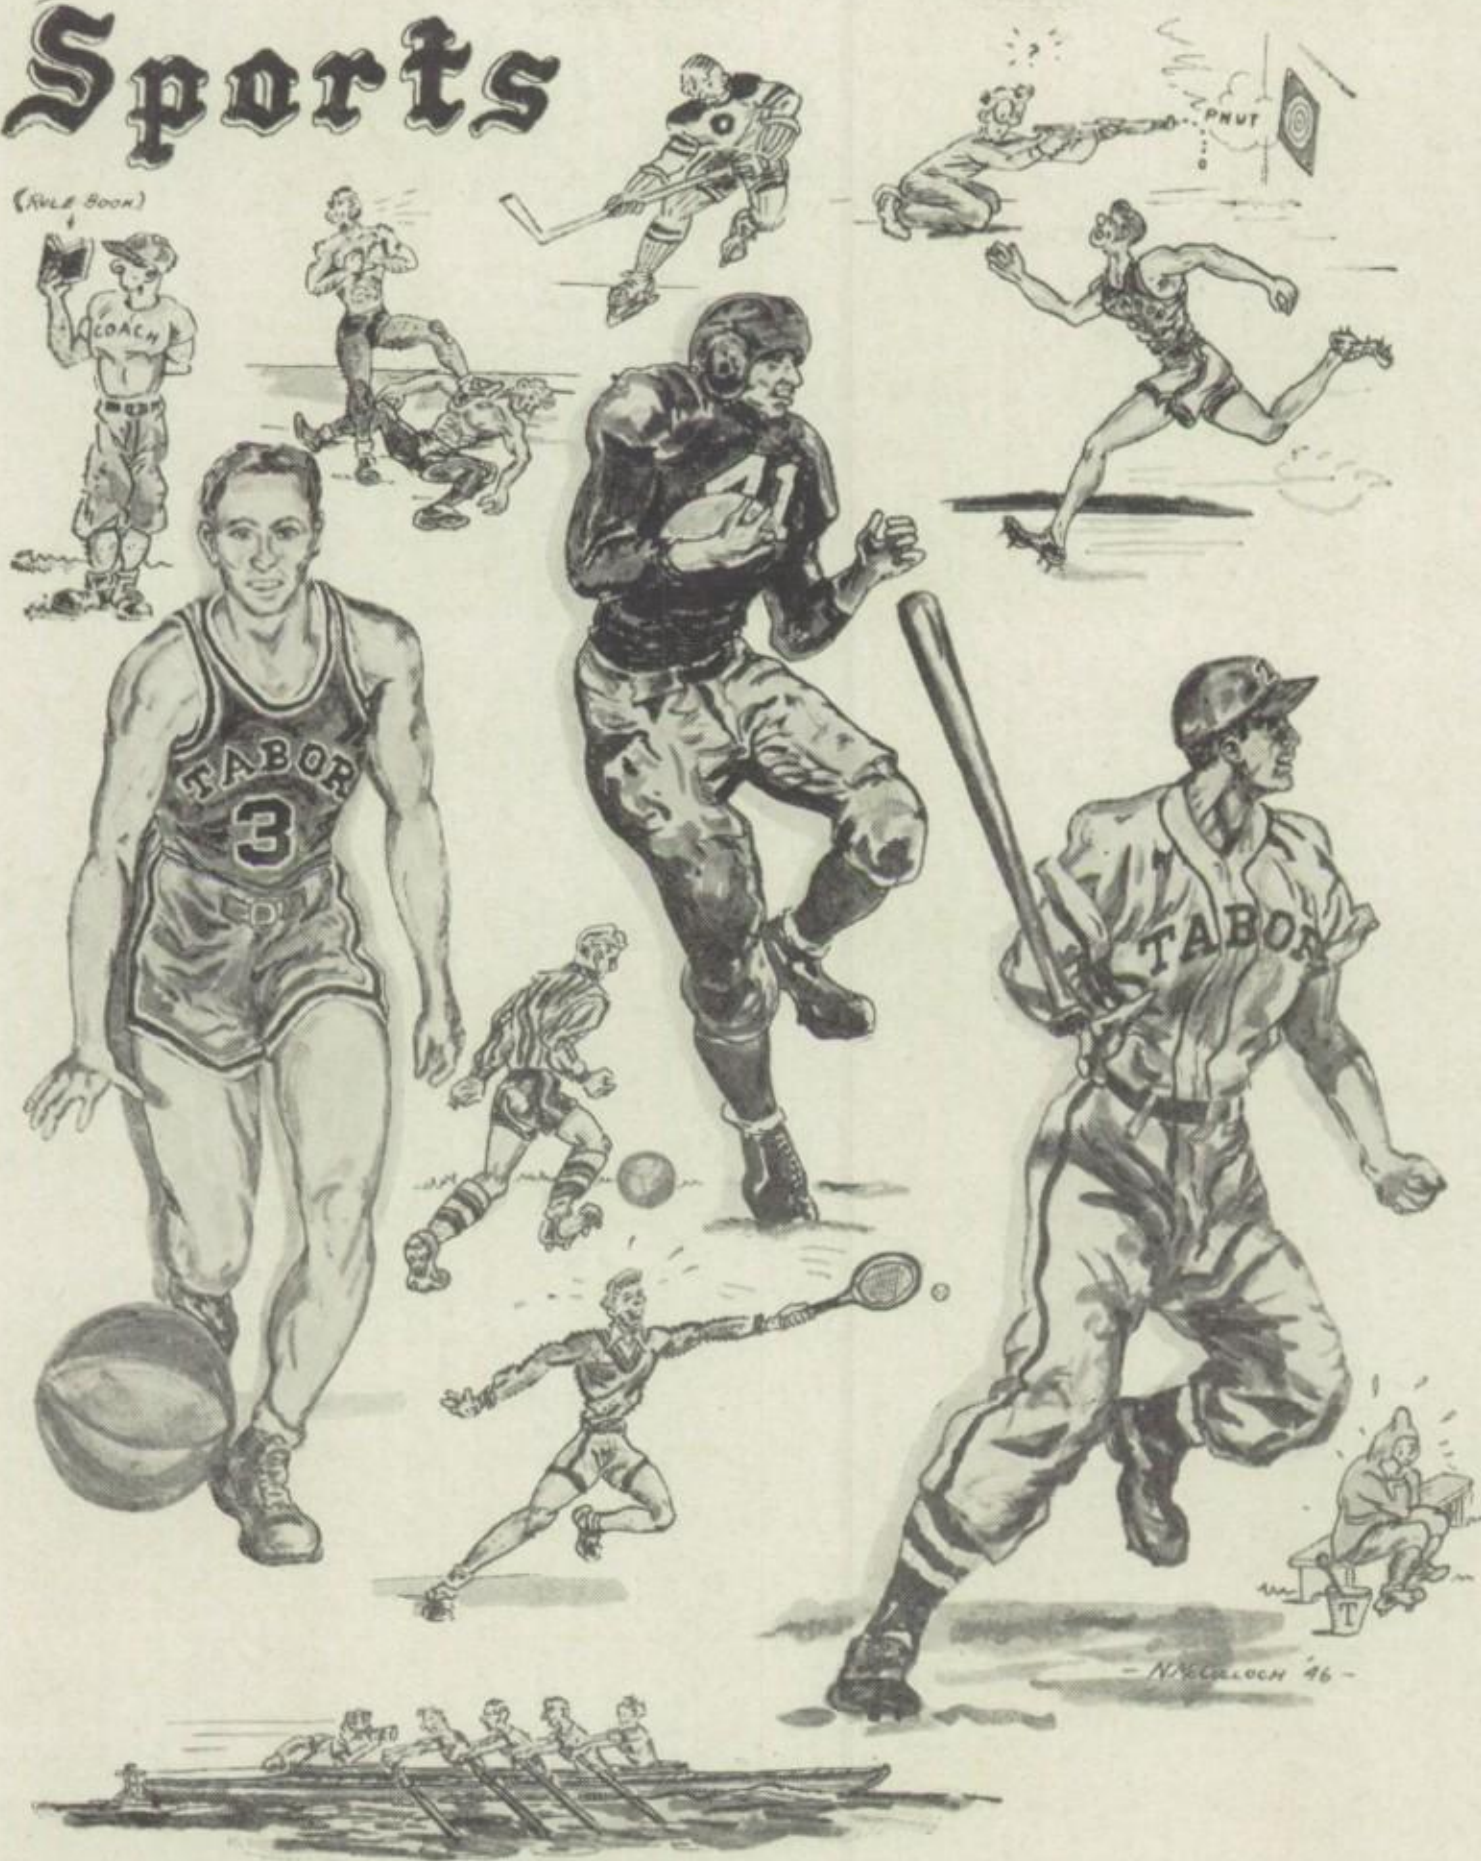

Sports

(RULE BOOK)

Football

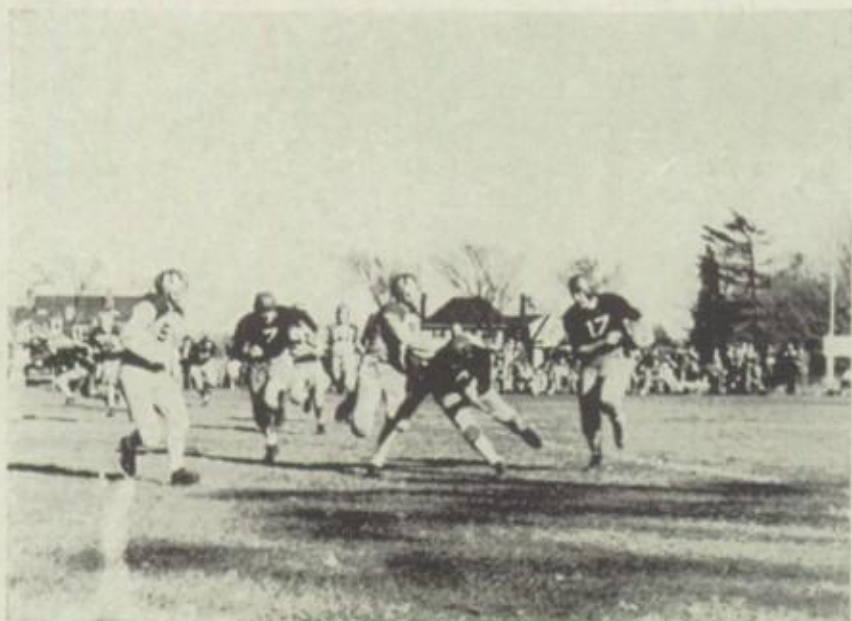

Ushering in the 1945 football season with only 2 weeks of practice, Tabor's gridiron huskies met on home territory a hard-fighting, spirited St. Sebastian's eleven. Scoring early, the visitor seemed almost too powerful for the light, inexperienced Middies, but this fear was soon squelched as Captain Perry, behind superb blocking, snake-hipped his way for 70 yards and a Tabor score. The remainder of the game was nip-and-tuck, and when the minutes finally ran out, the count stood at 7-7.

Journeying to Braintree for the annual game with Thayer Academy, Tabor took to the field, and on the first play of the game, Perry swept around end on a brilliantly executed play, and raced untouched for 60 yards and a score. The rest of the half was all Tabor, with the hard-charging line steamrolling their way up the field. When the half ended, Tabor stood on Thayer's 15 yard line. The second half proved quite a different story as a thoroughly rejuvenated Thayer team took over, and gradually pounded the already-winded Middies back to their own territory. With their backs to the wall, Tabor was unable to stop a fourth period, frantic drive, and when the game ended Thayer had scored and converted to eke out a well-earned 7-6 victory.

Seriously hampered by the loss of injured Perry, Tabor met, on Hoyt Field, a powerful Moses Brown eleven. Jack Bethel, recuperated from a pre-season arm injury, tallied for the Middies early in the game, but this

Top row: Coulson, Loney, Cobb, Chandler, Clark, Somerby, Griggs, Smith, Waterhouse, Greenberger, Seward, Brunelle, Pearson, Brodie. Middle row: Mr. Hagerman, DeSimone, Ramsbottom, Massey, Cederberg, Sargent, Beckman, Sweetser, Benton, Hillson, Conroy, Markey, Mr. Wickenden, Mr. Markham. Bottom row: Bethel, Schiffenhaus, Hoar, Wheeler, Peck, Perry, Prentiss, Harty, Greenlaw, McCulloch, Hall.

ended Tabor's scoring for the day. M. B. tied the score before the half ended, and in the third period pushed over another touchdown to win the game, 12-6. Tabor's line was once again easily the stronger, but inexperience in the back field proved too much for the home team.

The St. George game turned into a Tabor rout, with Perry scoring four times and Bethel once. A high wind thwarted Tabor's passing efforts for the final score, 35-13, might have been even larger for the driving Middies.

The next game might well be called "Tabor's Waterloo," for a superb Pomfret eleven severely riddled the Tabor team by a score of 46-20. In the first half all four of Tabor's first line backs were injured, and two line men left the field. Captain Perry received an arm injury in the first period and was to be out for the rest of the season. Jack Bethel, suffering from a leg injury, outdid himself, passing once to Harty and again to Massey for tallies, and scoring once himself on a beautiful 70 yard run.

The Governor Dummer game was a case of a team with most of its line intact, but with four second-line backs on the field. Loney, Ramsbottom, and especially Jim Peck played very well, the latter sparking a touchdown drive, and plunging for the score. The game ended with Tabor on the short end of an 18-7 count.

In the final game with Providence Country Day, the '45 Tabor eleven really found itself. The game ended with Tabor on the C. D. 4 yard marker with the score standing at 7 for Tabor and 6 P. C. D.

Soccer

From the opening game with the New Bedford Holtites to the 1-0 win over St. Georges, the varsity squad has gone far under the excellent coaching of Mr. Gowing.

Sparked by Captain Linscott and led by high scorer Dick Bisbee, the team played the Milton, Harvard "B", Belmont High, Governor Dummer, Watertown, St. Georges, and Medford. Despite losing a large percentage of games, Mr. Gowing, with the six returning lettermen, had a team which by the end of the season could play a good brand of soccer. With Barker, Linscott, and MacFarlane playing an excellent defensive and supporting game, and with Forster backing them up, the middies had a tough defense. With Pollard or Brenton in the goal, the opponent's points were held to a minimum.

For leading the team through a very difficult season, much credit should go to Mr. Gowing. His unexcelled coaching of the halfbacks and forwards was responsible for the fine brand of soccer which the team played. With several new games added to the schedule, the Tabor team had an interesting schedule.

Top row: Leviss, Hoffman, Ritvo, Bobo, Bierrie, Baker, Caffray, Thompson, Martinez. Bottom row: Bisbee, Pollard, Barker, MacFarlane, Mr. Gowing, Linscott, Brenton, Forster, Norton.

SCHEDULE

Tabor	2	Milton	2
Tabor	0	Harvard B's	5
Tabor	1	Belmont High	5
Tabor	0	Gov. Dummer	3
Tabor	0	Watertown	0
Tabor	1	St. Georges	0
Tabor	0	Medford	2
Tabor	1	N. B. Holtite	5

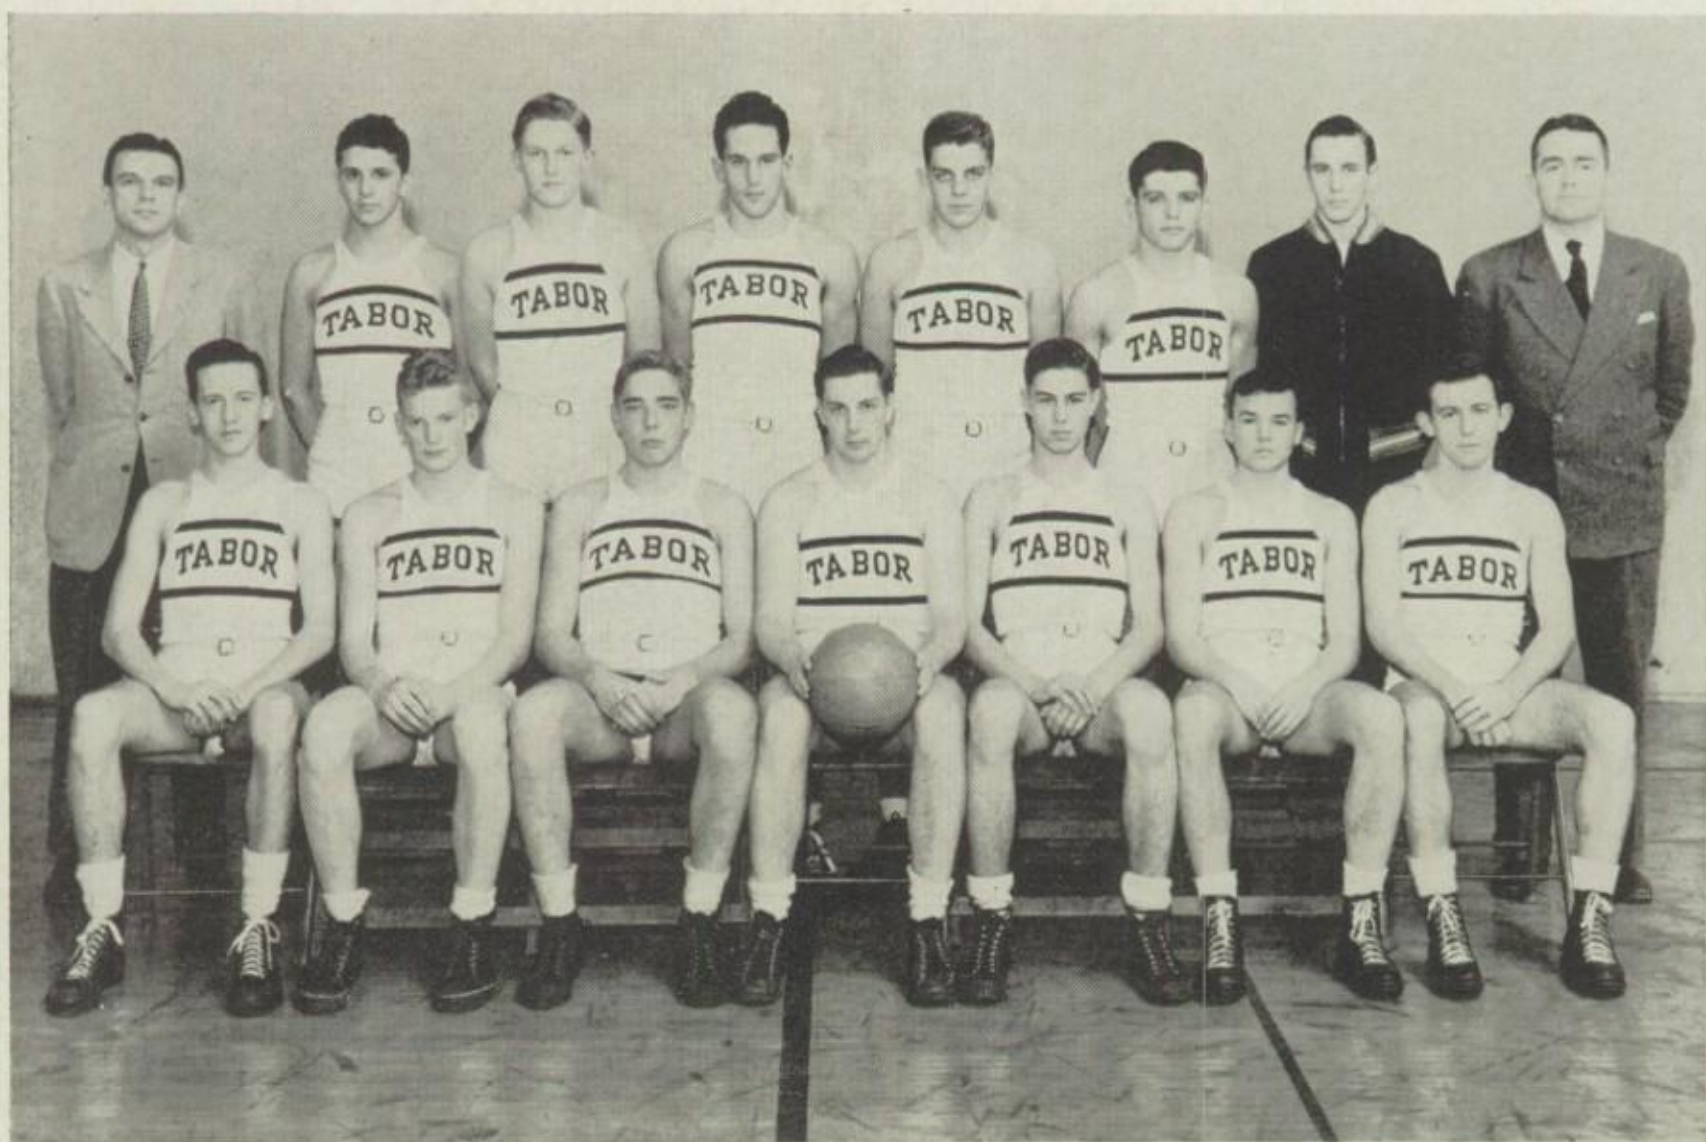

Basketball

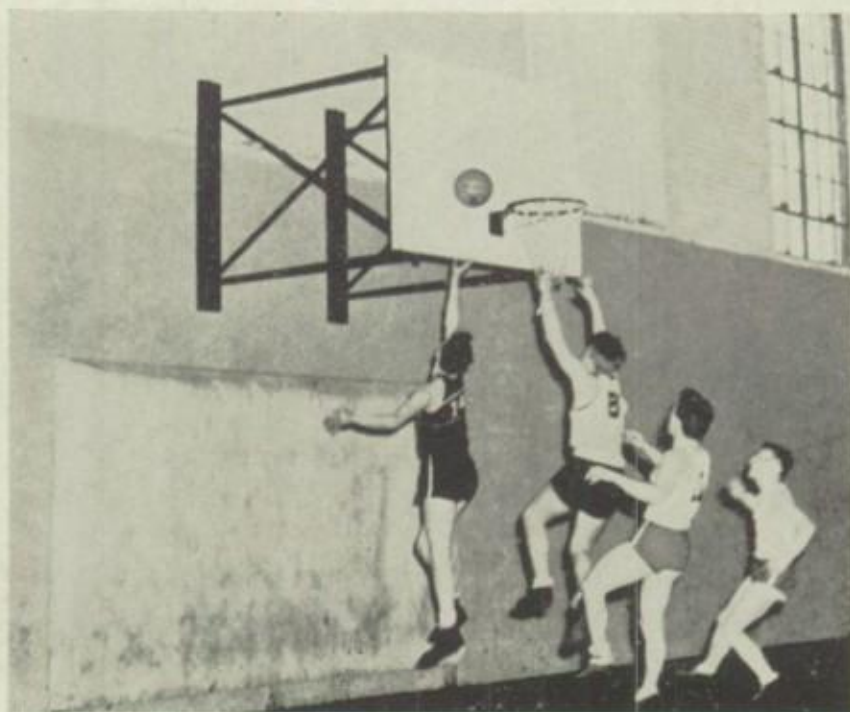

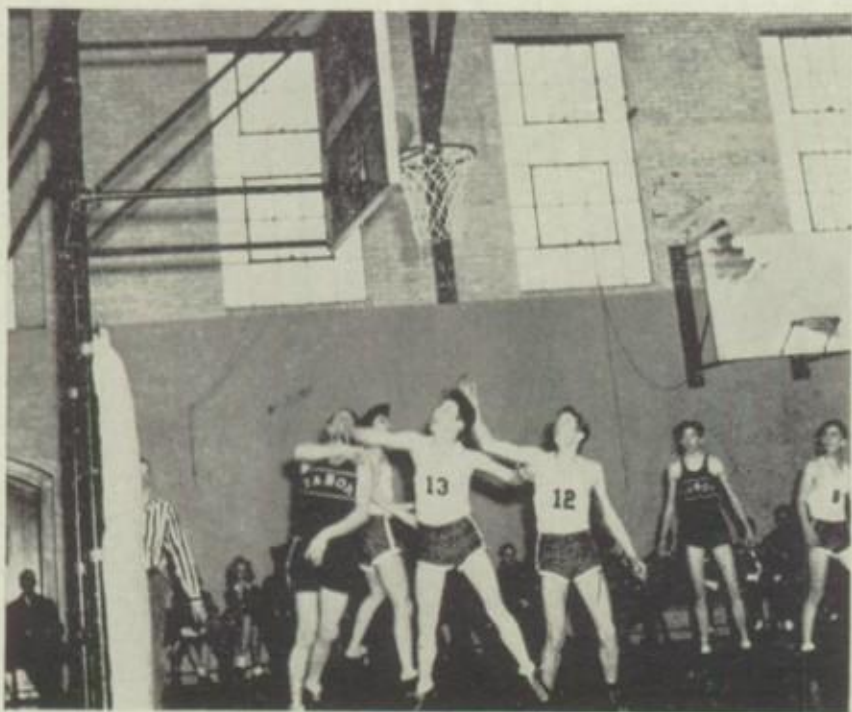

The Varsity Basketball Team closed a very successful season with a record of eight wins of thirteen games played. Under the able direction of Coaches Markham and Wickenden, the Tabor team climaxed its season with a victory over New Bedford Vocational School, which shortly afterwards took a first place in the Southeastern Massachusetts Principal's Association Tournament.

Last year's returning lettermen, Cederberg, Bethel, Prentiss, and Coulson formed the nucleus for this year's squad, though Coulson was unable to play in all of the games. Other skillful players were promoted to the first string from the second team and the leagues. Several of this year's hoopmen were newcomers at Tabor, while one player was a returned serviceman. Tabor's high-scorer of the season was Bill Prentiss, who accounted for 138 points. Dick Cederberg was second highest with 86 points, while Loney followed with 66 points. MacDonald, a returned Naval veteran who joined the team at mid-season, ably registered 52 points. Captain Jack Bethel, though greatly handicapped because of a back injury, accounted for 48 points from his left guard position.

Though the Tabor squad was defeated by Providence Country Day and Milton in the two opening games of the season, it later defeated both in re-

Top row: Mr. Markham, Hillson, Somerby, Peck, Goddard, Pearson, Coulson, Mr. Wickenden. Bottom row: Wheeler, Cederberg, Prentiss, Bethel, McCulloch, Loney, Hall.

turn games. Tabor won over St. George in both games of the season. For the first time in the school's history, the Tabor team journeyed to Deerfield Academy in western Mass. It is expected that this game, which Tabor lost, inaugurated an annual series of games between these two academies.

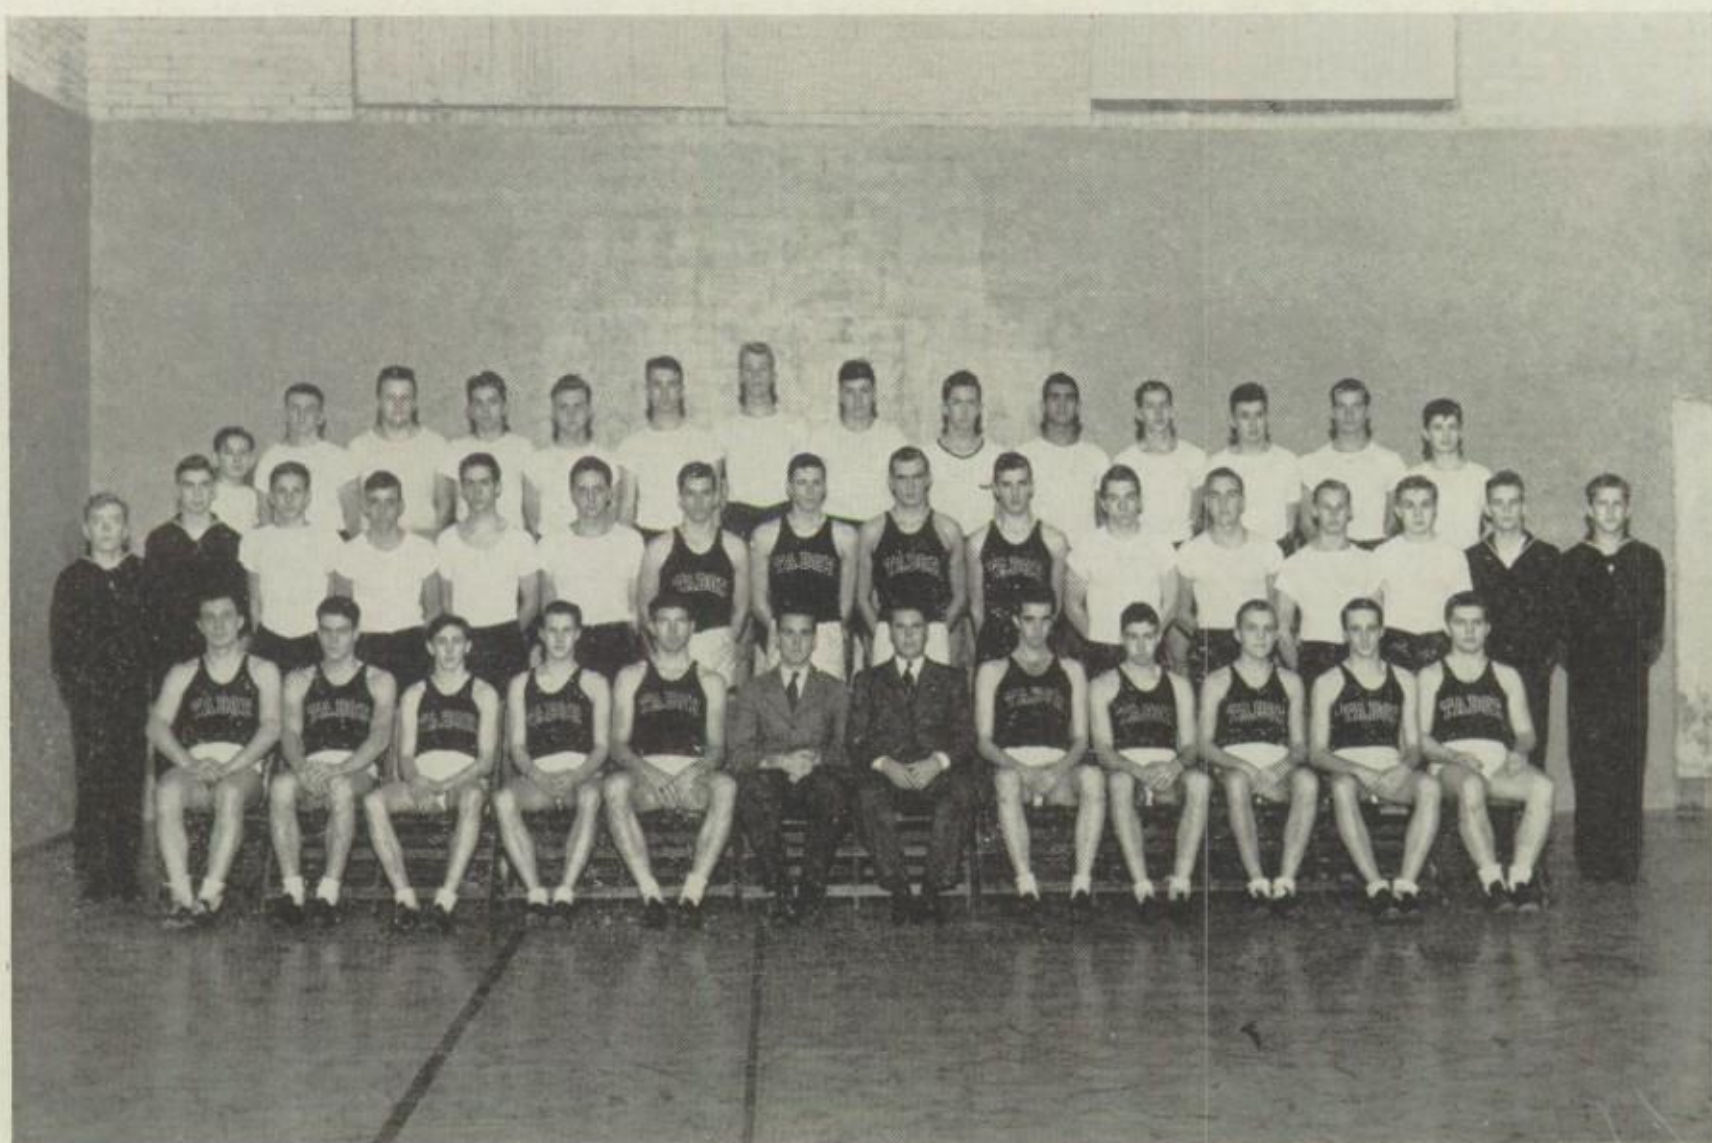

Until the seventh game of the season, the Middies had been using the man-to-man defense. The Thayer Academy game marked the introduction of zone defense. Of the last seven games played, Tabor won six, losing only to a taller Portsmouth Priory team. Thayer Academy was beaten by Tabor for the second successive year. Probably Tabor's most important wins of the season were the games with Pomfret, Milton, Governor Dummer, and New Bedford Vocational. Tabor scored its highest victory over Governor Dummer when the team racked up 52 points.

The 1946 team is indeed to be congratulated for a series of thrilling games made memorable by clean, hard play and wonderful spirit.

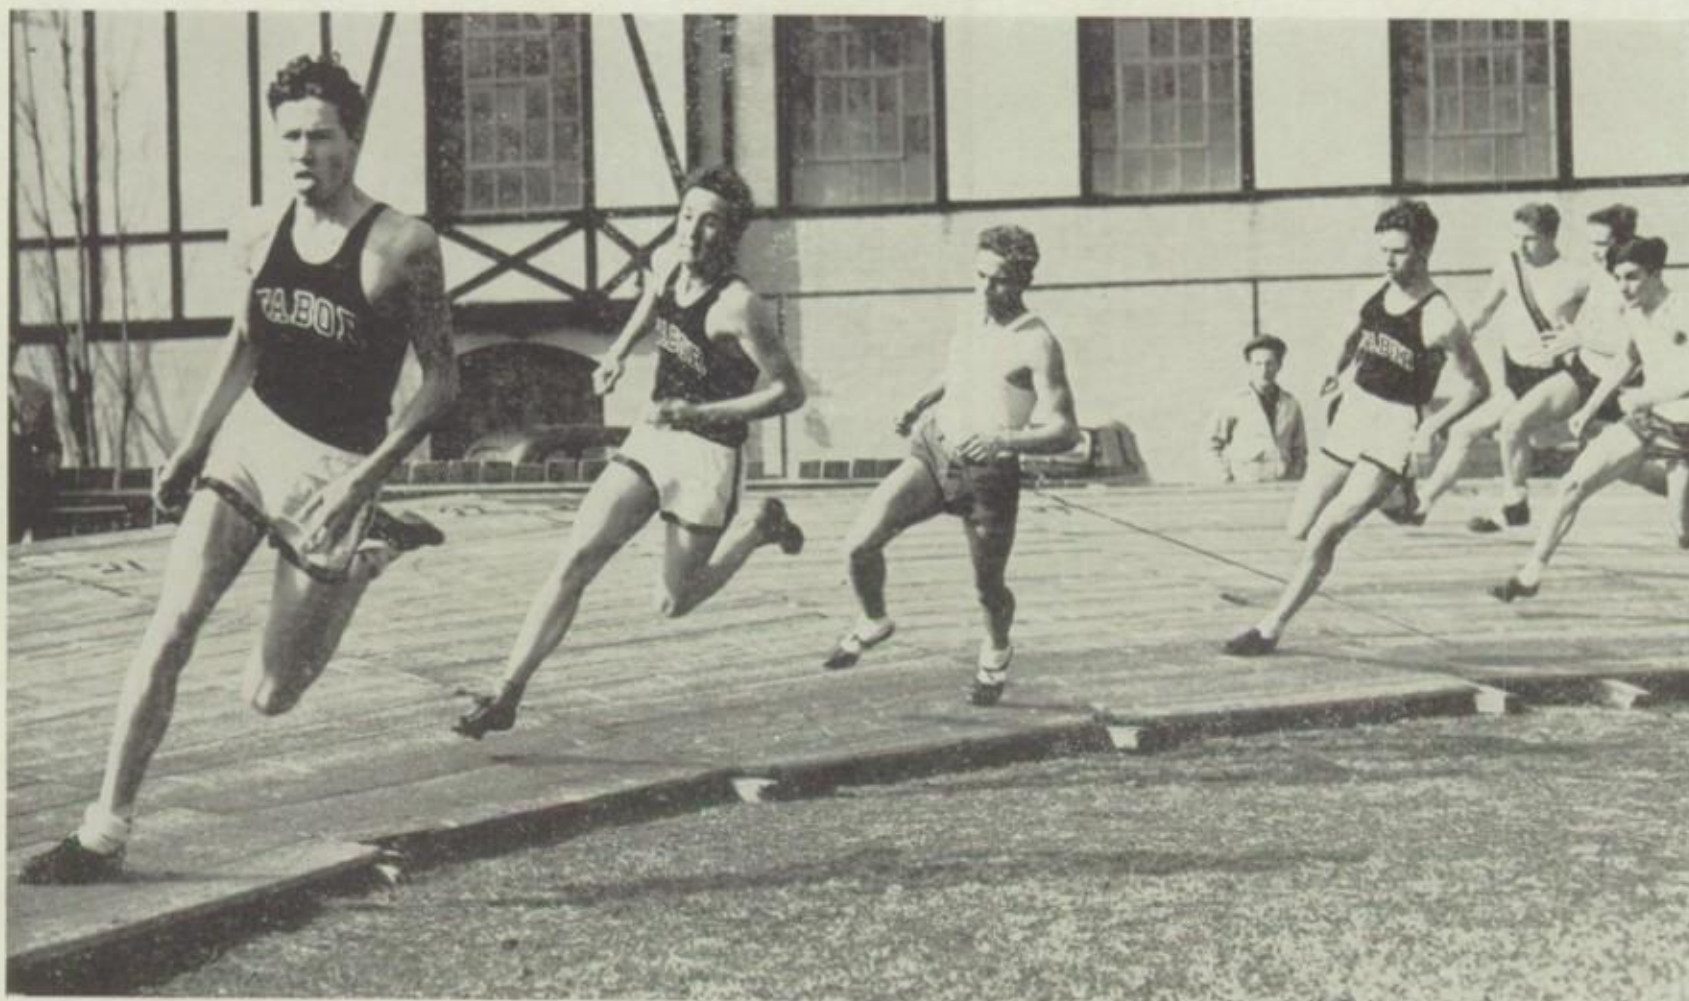

Track

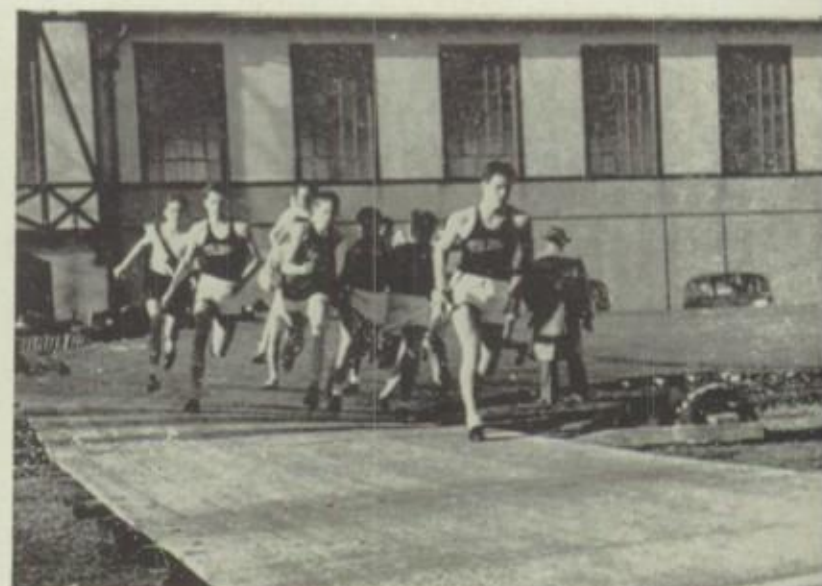

Mr. Gowing's 1946 track team had a very successful season. Two new schools were added to the roster of opponents. Andover, which was on the schedule for the first time, defeated the Tabor men 42-21 in the opening meet at Andover. Four days later, the Middies downed a powerful Exeter Team. This too was an addition this year to the adversary column. The final score was Tabor 35, Exeter 28. For the third time in one week the Taborites took to the track, this time whipping Roxbury Latin 48-15. The following week, at Providence, the old rivals Moses Brown, bowed 35-28. Rip Perry's 13 points and George Massey's 10 sparked the team to victory. On February 23, ten of the outstanding members of the squad competed at Madison Square Garden, New York, in the National Preparatory School A. A. U. meet. A total of 13 points, 6 by Perry, 4 by Massey, $2\frac{1}{2}$ by Jerry Wise, $\frac{1}{2}$ by Bill Sargent, gave Tabor a fourth place, two places better than the previous year. At the annual Preparatory school meet at M. I. T. Moses Brown managed to edge out Tabor 39-35, for the first time in four years. Perry, who amassed $17\frac{1}{2}$ points in last year's meet could not run in any event because of an infection. George Massey gathered 10 points for his dual wins in the 1000 and 600 yard runs. Jerry Wise collected six points

Top row: Dunham, Flood, Chandler, Bush, Brenton, Davis, Tousey, Woods, Thompson, Baker, Millar, Stewart, McCobb, Hodder. Middle row: Knauth, Rood, Brodie, Shepard, Collins, Paxton, Bishop, Pollard, Sargent, Nettel, Brunell, Downer, Trefrey, Bacon, MacFarlane, Edlund. Bottom row: DeSimone, Massey, Brown, Hoffman, Perry, Mr. Gowing, Mr. Mitchell, Harty, Wise, Thompson, Norton, Bobo.

in the hurdles and high jump respectively. The post-season meet with New Bedford High School was another victory for Tabor and a personal triumph for George Massey who just missed breaking the school record of 2:23 for the 1000 yd. run. The final score was 49-10. In spite of the losses, Tabor track team was stronger than last year; the combined coaching staff of Messrs. Gowing, Beebe, and Mitchell can well be proud of its squad.

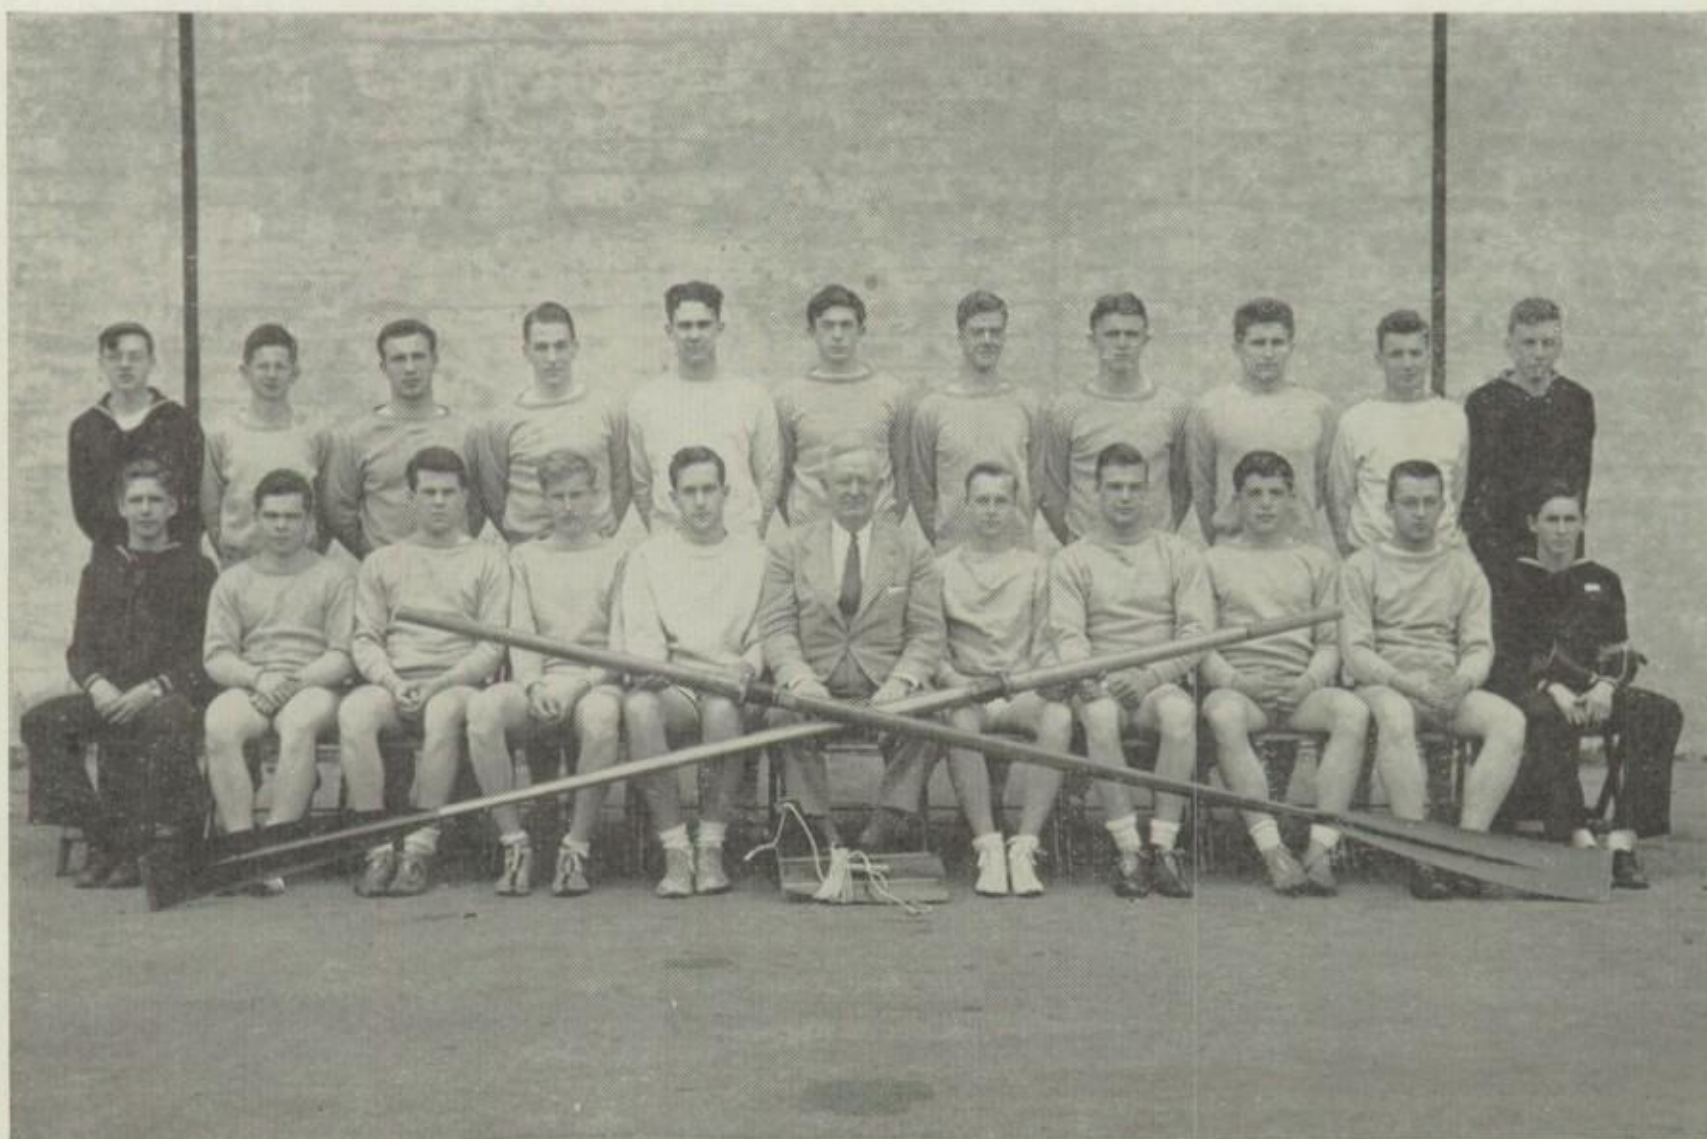

Crew

(1945)

For a squad that could boast only three returning lettermen, Mr. Beebe's 1945 crew finished with top honors, winning four meets and losing only one.

The first race, and the first victory for this group, was against Belmont Hill School. Rowed on the Charles River, this contest proved to be quite close, with the Middies holding an early lead to stroke themselves to a length and a quarter victory. The next two clashes, with Brown and Nichols and Shrewsbury, were split; Tabor defeated the B & N crew by three lengths, and then lost to Shrewsbury by two lengths.

The final two rows can be classed as moral achievements as well as actual victories, as the opponents were Harvard and M. I. T. The Red and Black outrowed Harvard to the tune of one length, and M. I. T. by a length and a quarter. Led by Captain Dick Allen at No. 6, with Charles Trefrey as stroke, Phil Benton at 7, Phil Slocum at 3, Dave Foster at 4, Roger Kellner at 5, John Burleigh at 2, George Derby at the bow position, and Jere Hughes as coxswain, the crew was not to be equalled in many schoolboy circles.

Top row: Parks, A., Ferguson, Al, DeSimone, Brunelle, Greenberger, Waterhouse, Bisbee, Greenlaw, Mease, Stewart, L., Bole
Bottom row: von Schmidt, Bobo, Benton, Southworth, Peck, Mr. Beebe, Trefrey, Ford, Pearson, Lowell, Brown

Baseball

(1945)

Paced by the pitching of Bob Linscott and Bob Brey and the hitting of Captain Don Perry, the baseball team went through a good season, winning 7, losing 4 and tying 1. The first game was a wide open game played at St. George's. In a drizzle, which caused many errors, Tabor came out on the short end of a 13-9 score.

After this they took two games from Portsmouth Priory, split with Moses Brown, tied one with Belmont, lost another one to St. George and one to Thayer and beat Dartmouth High, N. B. Voke, Middlesex, and Pomfret. The last game of the season, played with Moses Brown, was the most exciting, being a pitcher's duel right up to the last of the ninth. With two out and a man on second, Captain Perry clouted a triple into deep right center, driving in the winning run.

The prospects for this year's team are very good, with the following lettermen returning: Perry, Bethel, Coulson, Loney, Prentiss and Linscott. With these six and some from the J. V.'s and some new boys, Tabor should have a good season this year.

Top row: Collins, Dyer, Hillson, Milligan, Tuck, Petersen, Loney, Schiffenhaus, Decas
Bottom row: Kimball, Markey, Bethel, Coulson, Perry, Mr. Smith, Barrows, Prentiss, Ramsbottom, MacDonald, Tucker, J.

Tennis

(1945)

Sweeping to its sixth straight victory, Tabor's netmen defeated Portsmouth Priory 9-0. This match ended the year for Tabor's greatest tennis team. Going undefeated all the way through the season, the team racked up the impressive scores of, Tabor 4 $\frac{1}{2}$ —Harvard J. V. 1 $\frac{1}{2}$; Tabor 5—Milton 2; Tabor 7 $\frac{1}{2}$ —Portsmouth Priory 1 $\frac{1}{2}$; Tabor 9—Belmont High School 0; Tabor 9—Moses Brown 0; Tabor 9—Portsmouth Priory 0. Tabor thus amassed a total of 44 points to their opponents' 5.

Captain Tudor Tiedemann was ably aided by the expert tennis skill shown by new boys Estin, Haggerty, and Goddard. Also assisting was Dave Barker a returning letterman from last year.

The outstanding match of the year was undoubtedly that of Moses Brown. Although the score looks lopsided the matches were very even. After going down to defeat at the hands of Moses Brown twice the year before, the team was tuned for this match. They showed the art of fine tennis playing and came out on top of every match of the day. At the end of the season the team chose Hal Goddard as their '46 Captain. We hope that he will lead this year's team to another glorious season.

Top row: Alpert, Flood, Stauffer, Jackson, Rood, Taylor, Norton, Reed, Belz
Bottom row: Hanington, Caffrey, Barker, Prest, Cobb, Mr. Straetz, Goddard, Beckman, Tousey, Wise, Adams.

Wrestling

Opening a season both interesting and closely contested, the Tabor wrestling team took to the mat against Milton academy, dropping its first match 32-0.

Improving greatly in the first weeks of training, the team lost its second match to Roxbury Latin, showing, however, far better form, and displaying for the first time the spirit which was to make it the effective and deadly unit which it later became.

In the last of their defeats the grapplers opposed East Providence High School, holders of the Rhode Island championship. Renewing their efforts, the Middies defeated Moses Brown, thus marking the turning point in their season. Winning again, this time over Perkins Institute, the team hit the high point of their season in the following two weeks by their victories over both Governor Dummer and Providence Country Day. This firmly established the 1946 wrestling team as one of the finest ever produced here.

Their success was in large measure due to the efforts of Captain Carlson, their most capable coach. The team, under his guidance, has made a record to be envied, and it is hoped that those of this year's squad who will be here next year will equal, if not surpass, the fine performance of this year's group.

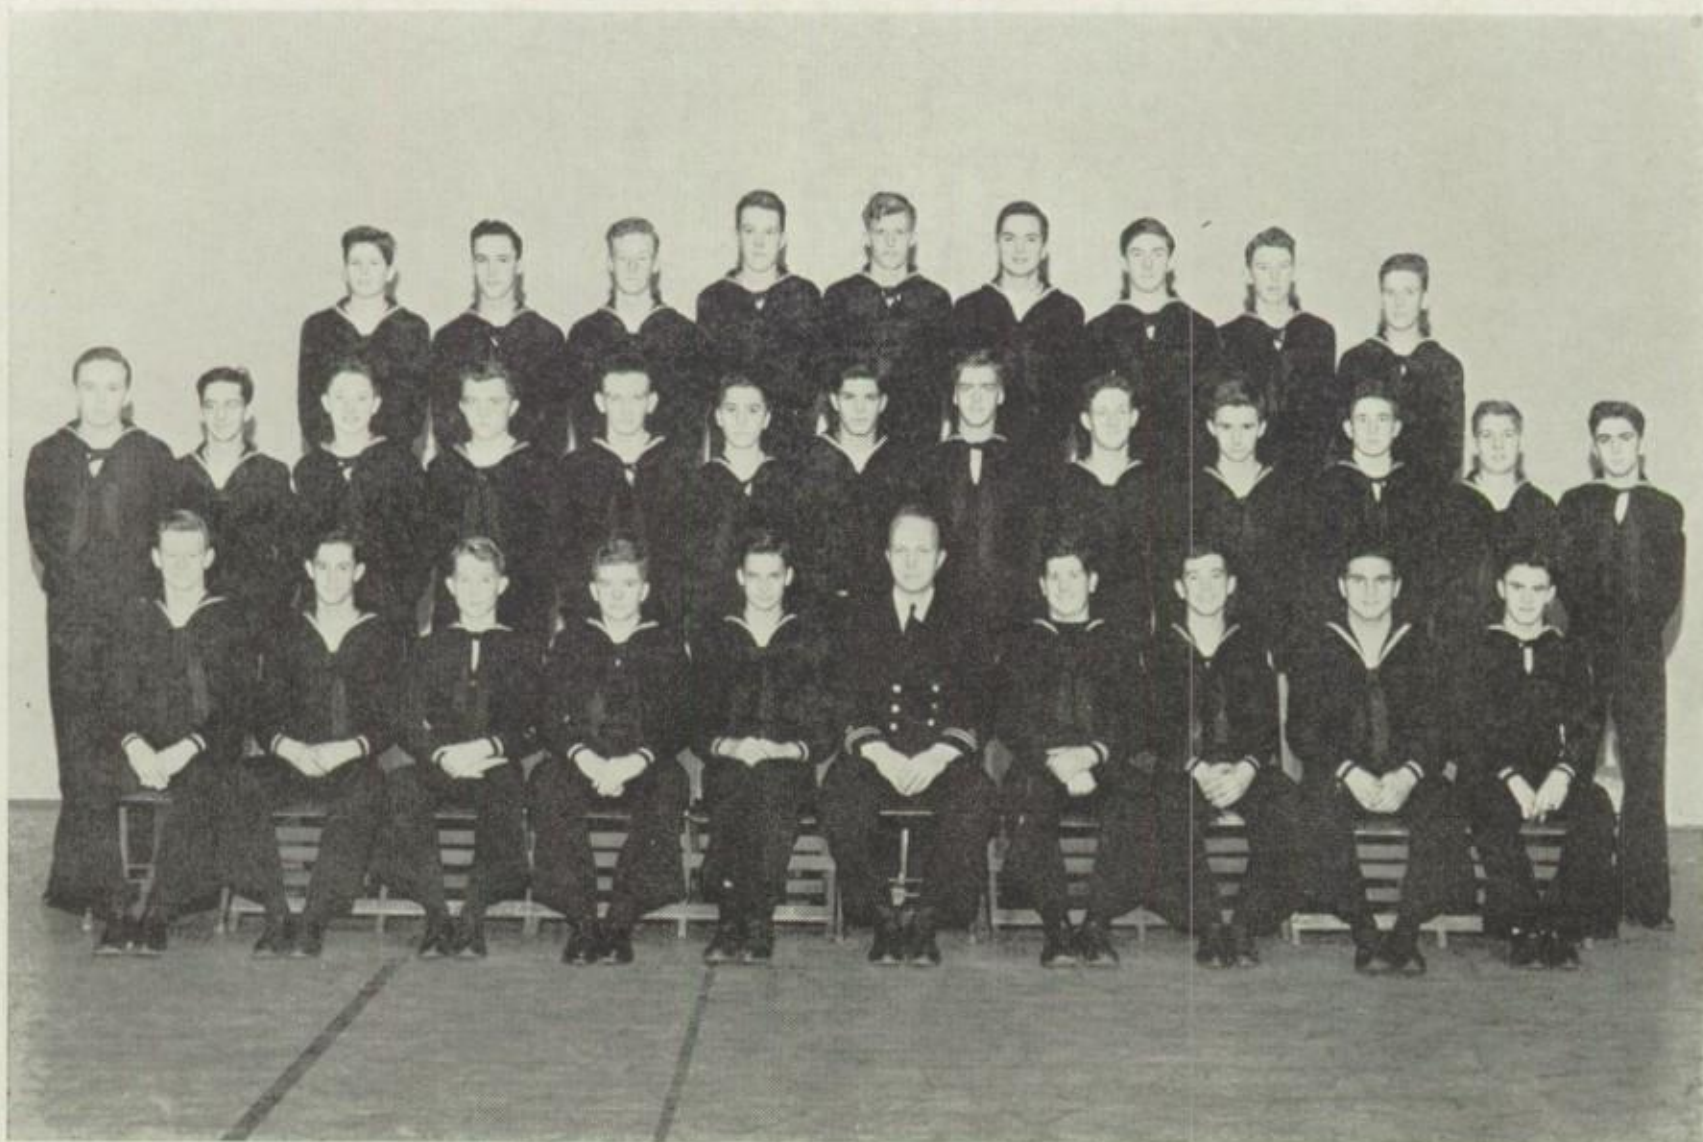

Top row: Whitehead, Wight, Knight, Ritvo. Middle row: Seward, Collins, Mello, Martinez, Driscoll, Park, Leach, Taylor, Bond, Mease, Snow, Duff, Moore. Bottom row: Tucker, Murphy, Bierrie, Russell, Caffray, Mr. Carlson, Ford, Benton, Forster, Ramsbottom, Parks.

Rifle Team

For the first time in twenty years riflery has been revived at Tabor. This year, under the direction of Mr. John Howard, a group of interested novices undertook to organize a rifle team. The range and equipment was composed of whatever material came to hand in view of war time shortages. However, the interest and determination of the group led to successes which were entirely satisfactory under the conditions.

Mr. Howard, whose life-long interest in firearms served him in good stead, developed a five-man team, composed of Captain Charles Smith, Charles Waterhouse, Schuyler Van Orden, Richard Bisbee, and Kenneth Boehner, which easily defeated the Hyannis Maritime Academy 1340 to 1298 and won a close match with the excellent Gloucester High School team 1739 to 1734.

A greater number of matches is being scheduled for next year, improved equipment is forthcoming, and the outlook for continued success seems bright, Alan Pierce, Richard Bumer, and Sam Reed are likely candidates to fill the vacancies left by graduating seniors Waterhouse and Van Orden, and it is expected that heightened interest will bring out a larger squad of marksmen.

Top row: Van Schaack, Robinovitz, Prest, Van Orden, Southworth, Griggs, Waterhouse, Jackson, Harris. Middle row: Smith, Sparling, Morse, Scott, Conroy, Vose, Clark, Bisbee, Shank, Weeks, Elliott, Reed, Russell. Bottom row: Trerice, Pierce, Braitmayer, Bumer, Lindstrom, Mr. Howard, Adams, Carson, Morse, S., Giles.

J. V. Football

Losing its two starring players through injuries early in the season, the J. V. squad was the victim of a series of overpowering teams of several neighboring high schools.

Opening their ill-fated season by taking a thorough defeat at the hands of Yarmouth, the team concentrated on developing a strong defense, and soon afterwards held a powerful Falmouth to a six-point margin.

Dropping return matches with both Yarmouth and Falmouth, the team, crippled by the mid-season loss of tailback Jack Cameron, lost a breath-taking game to Bourne.

After being edged out in an exciting game with our traditional rival, Moses Brown, the J. V.'s came up against an overwhelmingly strong Wareham second-string varsity team, at whose hands they suffered a 23-0 defeat.

The season's record in games lost, however, is not indicative of the J. V. spirit. Heavily outweighed, the team never lost its superb spirit for a moment. Defeated, and hampered by injuries as they were, they were always willing and eager to play, and always fighting at the last moment.

Under Mr. Smith's and Mr. Beebe's coaching, the squad, many of whom had never played before, finally mastered the fundamentals of the game, and next year should find a more experienced and capable team on the field.

Top row: Brown, Murphy, Russell, Thompson, McCobb, Calkins, Goldsmith, Collinson. Middle row: Mr. Smith, Flood, Wood, Peterson, Taylor, Stuart, Collins, Johnson, Chace, Donovan, Query, Nicholas, Mr. Beebe. Bottom row: Tucker, Stewart, Davis, Reese, MacKenzie, Cameron, Kimball, Tuck, Tucker, Hart, Giles.

J. V. Baseball

(1945)

Improving greatly under Mr. Markham's coaching, the J. V.'s turned in a good season's record.

Opening their season against the New Bedford freshmen, the team took a handy 13-3 beating. Coming back two weeks later for another try they again fell, 10-3.

Racking up a victory and a loss against Wareham, and losing a game at Bourne, the J. V.'s wound up an interesting season in excellent form by trouncing Mattapoisett, 23-0.

With the wealth of material that was developed last year, the J. V.'s should certainly field a strong team this season, as well as supplying the varsity with a good number of players for whom the experience gained in last year's season was invaluable.

Top row: White, Duff, Shelton, Kennedy

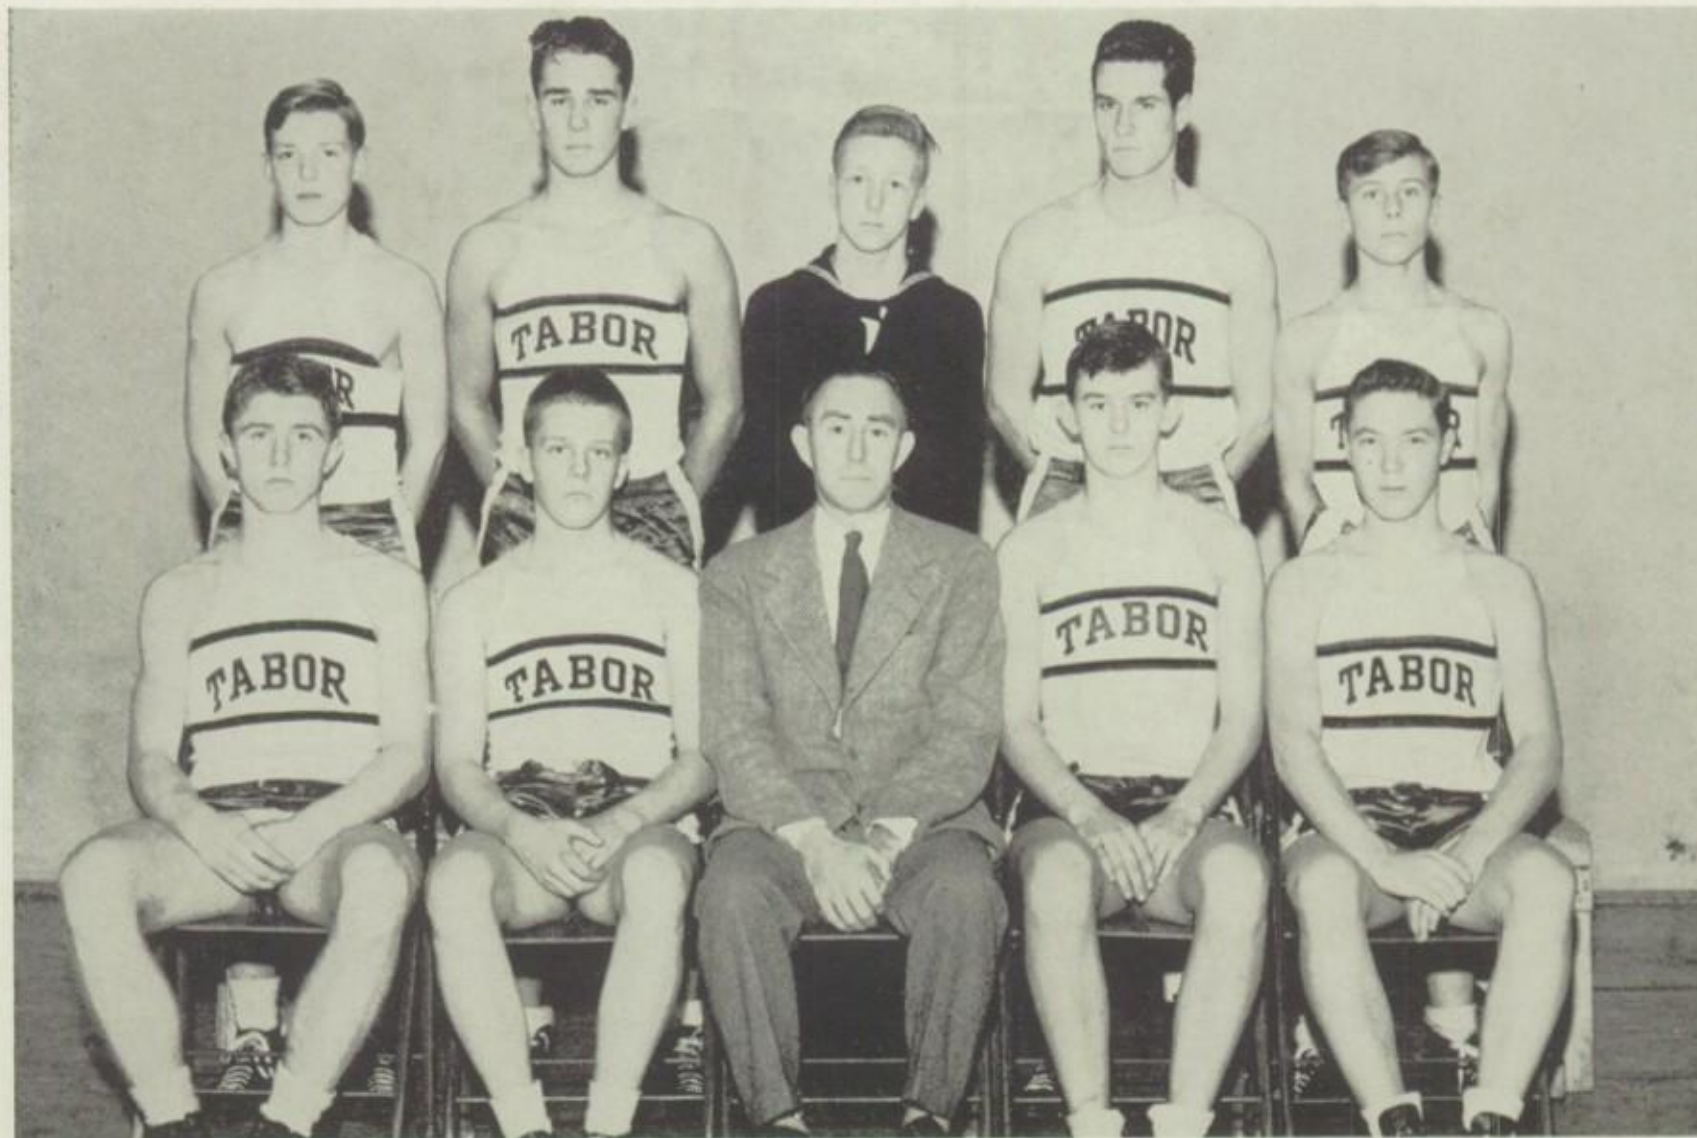

Second row: Cameron, Chase, Somerby, Tucker, Mr. Markham, MacKenzie, Stuart, McCobb, Tucker, M.

J. V. Basketball

The Second Team Basketball, under the able directorship of Coach Smith, breezed through its season with a record of 11 wins and two defeats.

The season got under way with a 52 to 9 win over Providence Country Day. Steve Thomson, Harry Shelton and Captain Fran Donovan showed good teamwork in that game, and in the next five games continued to rack up impressive scores against Milton, St. George, Providence, Bourne, and Portsmouth Priory.

Thayer Academy took the next game, however, as Donovan and Thomson were drafted to the varsity and Shelton was put on the sick list. Coach Smith came back the next game to soundly trounce St. George. Pomfret's previously undefeated powerful quintet handed the seconds another setback, but they bounced right back into the win column by sweeping through the next four games, against Portsmouth Priory, Governor Dummer, New Bedford Vocational, and Milton to finish out the season with the best second team record in many years.

Top row: Shelton, Greenberger, Small, Thompson, Belz. Bottom row: Greenlaw, Donovan, Mr. Smith, Tucker, Richards.

J. V. Soccer

This fall the J. V. Soccer squad assumed the role of an athletic team with a schedule, a status which it has not had for several years. The Jayvees practiced every day with the varsity, but their lineup always varied to some degree so that there was always some discussion as to who played what position. However, despite this the J. V. Soccer team won one game and lost two to their opponents. Governor Dummer was the first encountered; this game was lost 2-0. The following week the Taborites, with a tally by varsity-trained Jose Martinez, defeated 1-0 Watertown High on the opponent's own ground. The last game, with St. George's, was lost 1-0 by a score in an extra period. The season was particularly successful insofar as the enjoyment of the players and gain of skill are concerned. With the aid of varsity experienced Ed Ritvo, Henry Baker, Pete Bierrie and Peter von Schmidt and this season's find, Benny Brenton, Johnny Allen's regulars helped make Coach Stokes feel that his afternoons were not entirely wasted.

Top row: Adams, Edlund, Nettel, Woods, Bacon, Lipsitt. Bottom row: Lasbury, Alpert, Von Schmidt, Mr. Stokes, Knauth, Bole, Allen.

League Basketball

As in the past two years, Mr. Straetz again conducted an excellent season of intramural basketball for all boys interested in this sport. Mr. Smith founded this system called League Basketball three years ago.

The Leaguers were divided into five teams, the Blues, Whites, Reds, Oranges, and Greens. Captains, chosen for these squads, were Stauffer, Kimball, Stewart, Hart, and Davis, respectively. Each day four teams played and the fifth assumed positions as scoring and timing officials. The Varsity Squads supplied referees daily.

Early in the season, the Blue team took a lead over the others and kept its position almost entirely throughout the season, though it had to contend with very stiff opposition to keep ahead. After many exciting games, the Blue team won the season's tournament. This team was composed of Captain Stauffer, Schiffenhaus, Johnson, Tyler, Lipsitt, Mello, Fried, and Lasbury. Such sharpshooters as Schiffenhaus, Stauffer, Noyes, and Calkins, were high scorers for the season.

The Leagues have produced many future Varsity players, besides training the inexperienced. Each year a team is assembled from the Leagues to play Sippican Junior High School. This year the League team won a game from Sippican and were also defeated once by them, both being very close matches.

Top row: Vanderhoop, Perkins, Wadsworth, Sill, Wood, Simpson, Carmichael, Ferguson, Johnson, Reese, Lasbury, Blatchford, Odence, Raymond, Hiller. Middle row: Gaines, Noyes, Fried, Sligh, Feeley, Chace, Nicholas, Tyler, Kimball, Stuart, MacKenzie, Hayden, Dyer, White, Gregory. Bottom row: Allen, Decas, Schiffenhaus, Lipsitt, Tuck, Mr. Straetz, Stauffer, Calkins, Cox, Kennedy, Alpert, Collinson.

Midget Football

This year marks the third year that the "Mighty Midgets" have played six-man football at Tabor.

Started in 1943 with the idea of providing a team for the boys too small to play J. V. football, the Midgets' worth has been clearly demonstrated by the presence of three midget "graduates" on this year's Varsity.

This year's team, consisting of Belz and Parks, A. as ends, Duff as center, and Mello, Noyes and Tucker in the backfield, played five games, winning two and losing three.

We lost twice to the Sippican School, 19-6 and 33-6, once to Mattapoisett, 20-0, and won 31-12, and 33-6 from Mattapoisett and Fairhaven.

Mr. Straetz filled his coaching spot as ably as ever, and it is hoped that next year's team will be even more successful than this year's.

Top row: Decas, Kennedy, Cox, Millar, Shelton, Vose, Simmonds, Collins. Bottom row: Belz, Duff, Noyes, Mr. Straetz, Tucker, Mello, Parks.

Schooner Crew

Long a time-honored tradition, the Schooner Crew is one of Tabor's most popular non-competitive activities. The interesting and arduous work of these dozen and a half boys is centered almost wholly around the "Tabor Boy" and the waterfront. To them falls the giant task of maintaining a ninety-foot schooner and other waterfront equipment.

This year, under the able leadership of Captain Carlson and Charles Ford, the crew experienced an unusually active season. The weekly fall cruises, a part of Tabor life no student will ever forget, were taken as usual with Vineyard Haven, Nantucket, and Provincetown the main ports of call.

This spring, the crew will have a chance to try out the new sixty-eight-foot yawl, "Edlu". The "Fore 'n' Aft" regrets that we go to press before the first reports of 'Edlu's' forthcoming cruises are available.

Top row: Salazar, Sparling, Blatchford, Knight, Weir, Van Orden, Jackson, Shank, Mease. Bottom row: Southworth, Carmichael, Bush, Ford, Mr. Carlson, Braitmayer, Trefrey, Whitehead, Park.

Sailing Squad

With the addition of ten boats of the Woodpussy class, six Mercuries, and a twenty seven foot launch to last year's fleet, Tabor was well prepared with adequate sailing facilities to afford Tabor boys an excellent opportunity to gain nautical knowledge and experience. An interesting program, which included Sunday racing for those participating in other activities, was presented for the enjoyment of the entire squad. As is usually the case, many old boys became more proficient in the art of sailing, and a large group of new boys received full shares of training to enable them to obtain skipperships.

In acknowledgment of the sailing squad's appreciation for Mr. Howard and Mr. Mitchell, we can only say that the season could not have been as successful as it was without their guidance and interest. With the achievements of this season in mind, we look forward to an even better season next year.

Top row: Moore, Russell, Bochner, Van Schaack, Wadsworth, Hanington, Prest, Tyler, Smith, Raymond, Morse, Odence, Hayden, Richards, Small. Middle row: Gregory, Vanderhoop, Bailey, Weeks, Hooper, Feeley, Sligh, Perkins, Rood, Elliott, Harris, Rockwell, Robinovitz, Stauffer, Reed, Gaines. Bottom row: Mr. Mitchell, Carson, Bumer, Trerice, Bond, Ferguson, Pierce, Sill, Hodder, Knauth, Reed, Fried, Mr. Howard.

Campus Crew

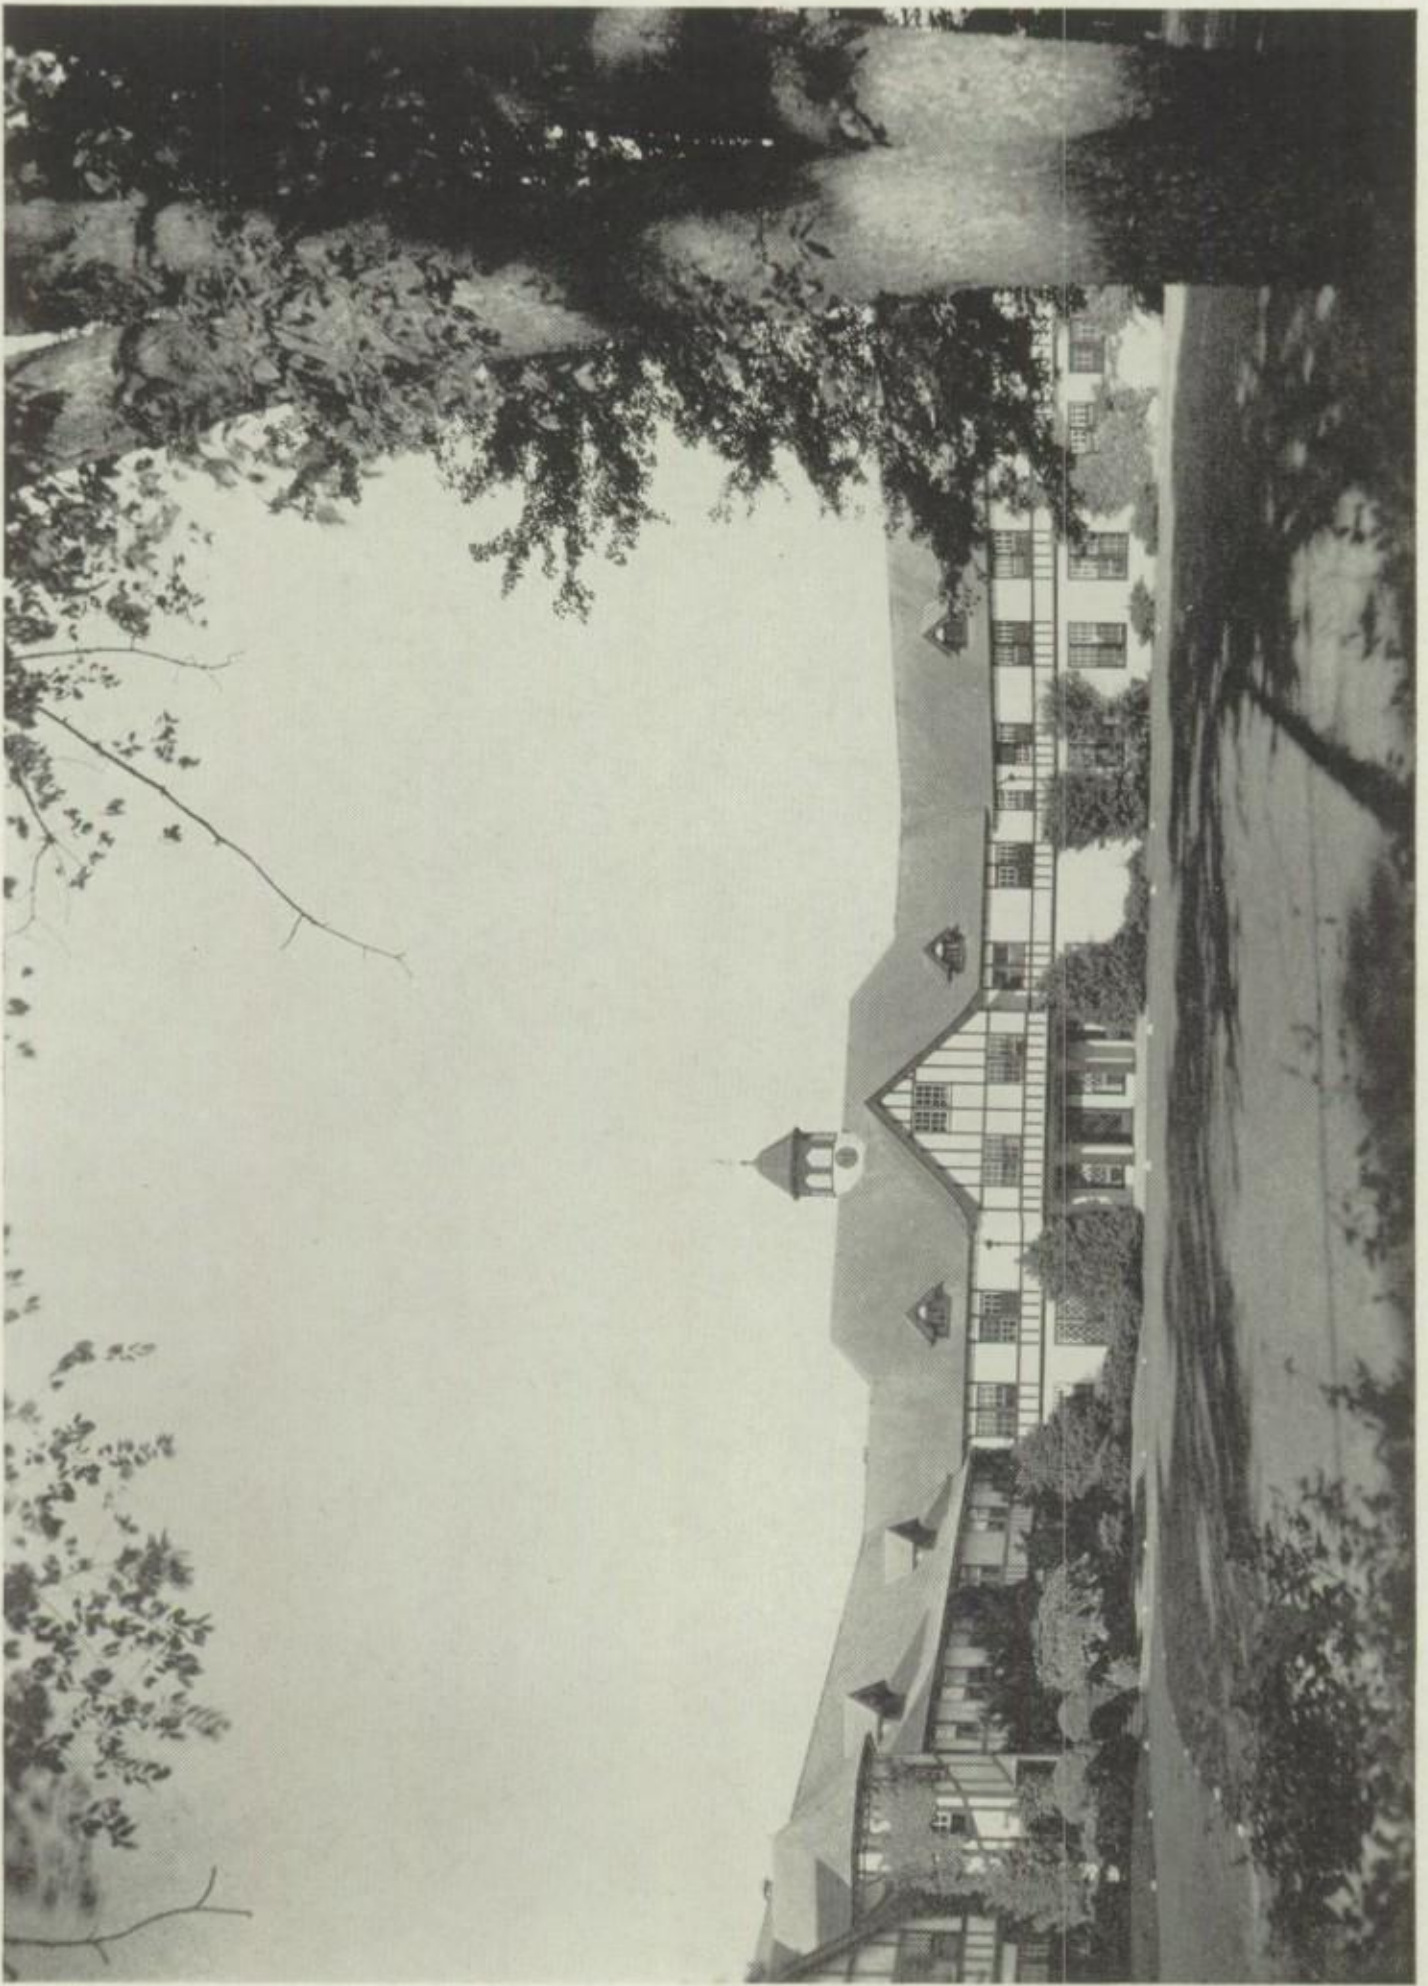

Although seldom mentioned and little thought about by most students, the Tabor Campus Crew serves in a variety of indispensable ways. The school needs but to think of any task which it wishes to have performed, and this group stands ready and willing to accomplish it.

Evidence of their work may be seen throughout the campus. They set up the bleachers at Hoyt Field, and have grubbed Daggett House lawn so that it may be re-seeded. Other duties which they have performed are: cutting and sawing wood for the fireplaces of the various houses, clearing away the great amount of debris at Knowlton House, burning large quantities of refuse there, carrying cartons of canned goods from the kitchen to the hot upper atmosphere of the attic, and many other smaller services. Under these "smaller services" might be placed the rides given to certain non-descript characters of the football squad, on their way back from the field, a charity in which they have often indulged.

Under the able leadership of Mr. Hunt, this organization has come to be one of the most important and useful groups on the campus. Credit must also be given to Mr. Kern, under whose command and wise advice it has come from time to time. It not only absorbs fresh air and exercise, but does a necessary job each day.

Top row: Scott, Battey, Shepard, Fish, Leach, Mayo. Bottom row: Barlow, Paxton, Mr. Hunt, Pitman, Lindstrom.

List of Vesper Speakers

- September 23—Dr. J. Edgar Park
Osterville, Massachusetts
- September 30—Dr. Ralph W. Sockman
Christ Church, New York, New York

February 1, 1946

HANcock 0830

ESTABLISHED 1818

Brooks Brothers,
CLOTHING,
Mens Furnishings, Hats & Shoes

346 MADISON AVENUE COR. FORTY-FOURTH ST.
NEW YORK 17, N. Y.

Brooks Brothers' good reputation at the best known Schools and Colleges — like these institutions themselves — has stood the test of many years. Good faith, good materials, good workmanship and good taste never go out of fashion

*Now in the Second Quarter of our
Second Century, 1818 - 1946, as
makers of Naval, Military, Civilian
and Sporting Clothes*
